## Finding your way - tips for the unemployed student

### Gord Lang

Continuing from last week, not giving up is important when searching for a job. In some cases, there will be a large number of applicants, and a positive attitude will make you stick out from the bunch.

What would happen if you are offered some type of job that is not related to your career goals. You should carefully consider this opportunity because it just might be the only employment that you are offered.

The thing to keep in mind is that in a sense, every job is related in a way, and any job can work for you if you want it to. A job of any sort will not only put some cash in your

hot little hands, but it will give you one of the most valuable commodities in the job market: EXPERIENCE.

\*Please Note\* The

hours for the Canada Employment Centre for Students have been changed to:

8:15-11:00 a.m.  
1:00-4:30 p.m.

## Superior hockey school

Superior Hockey Schools will have some new instructors for the fast approaching summer hockey school.

Rick St. Croix will be the goaltending coach for the first session July 29-August 3. Rick has played with the Toronto Maple Leafs and the Philadelphia Flyers during the past number of years. He was a student of Jacques Plante, the Hall of Fame goalie and contributes much of his knowledge to him.

Norm MacIver is another welcome addition who will be teaching at the first two sessions, July 29-August 3 and August 5-10. Norm, a Western Collegiate Hockey Association All-star and member of the UMD Bulldogs of Duluth is entering his fourth year of school. He also has had excellent coaching especially when he played for Dave King, Canada's Olympic Coach, in West Germany and in the Moscow Dynamo game in Thunder Bay.

Dave Bruce will also

line up as an instructor July 29-August 3 and August 5-10. Dave, as well as Norm is a graduate of the Thunder Bay Junior Kings of 1981-82 but each went separate directions afterward. Dave starred with the Memorial Cup finalist Kitchener Rangers, was drafted by Vancouver in the second round and played his first season of professional hockey with Fredericton of the A.H.L. last year.

Walt Poddubny will be a full time instructor in this year's program. He also will be available during the first half of August. Walt has played with the Toronto Maple Leafs over the past 3 years and holds the Leaf record for number of goals by a rookie.

Paul Mitchell will be joining the goaltending staff along with Rick St. Croix and Dan Moro. Paul played minor and junior hockey in Thunder-Bay and later attended Colorado University on a scholarship. He has coached at the minor and junior levels and has instructed in goaltending schools in Minnesota and Southern Ontario.
