

Sunglasses, Hats & Bowties

Story and Photographs by David Carswell

On Wednesday, August 21, 100 children from Geraldton, Marathon, Manitowadge, Schreiber and Terrace Bay participated in the first annual North Shore Recreation Director Pool Fun Day.

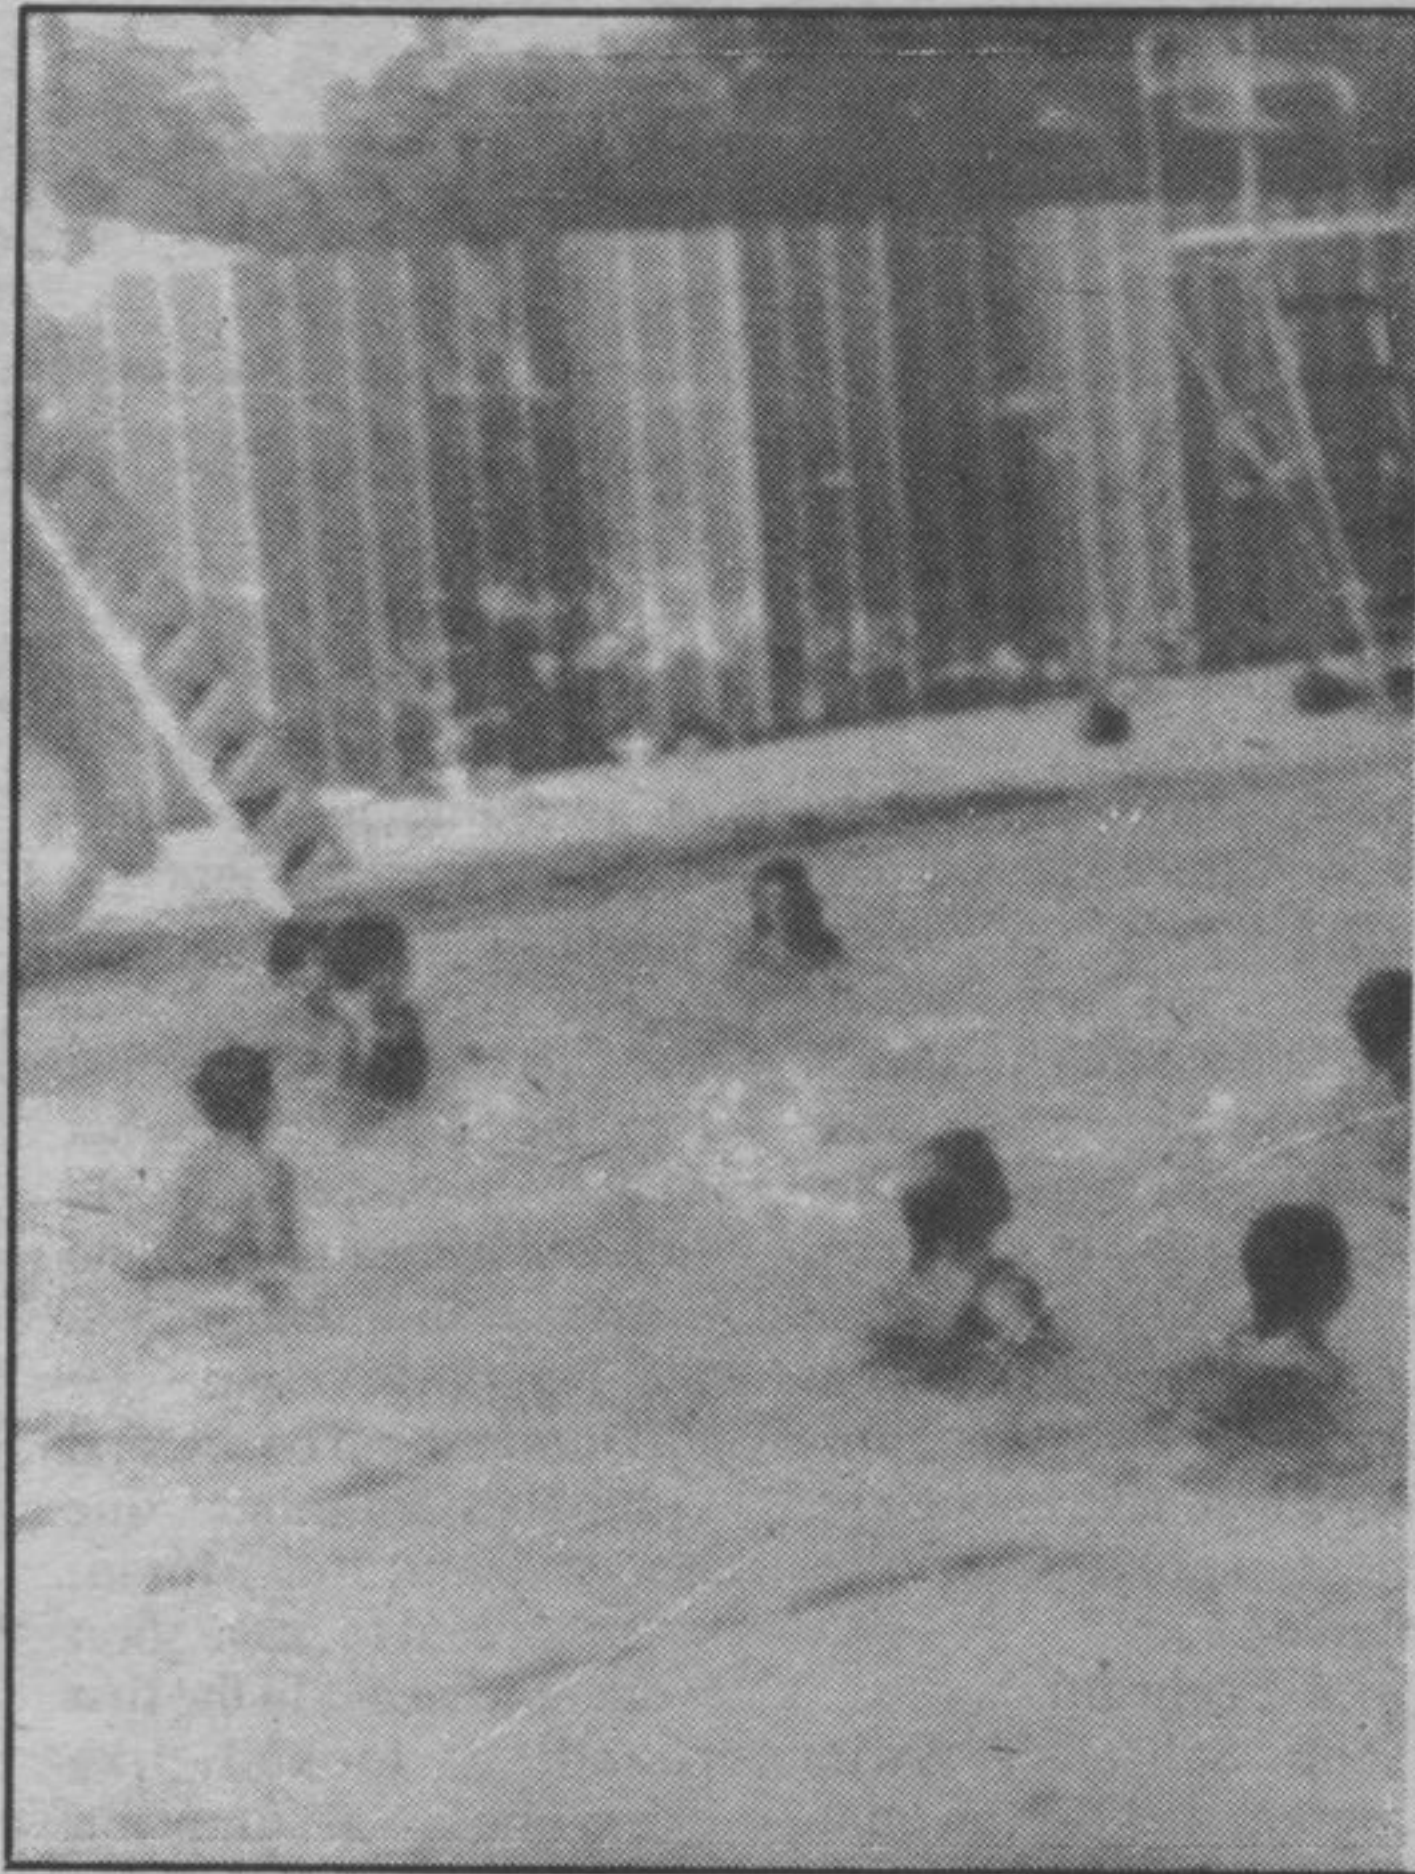

The purpose of the event was to allow youngsters in various communities along the North Shore to gather together and meet new friends as well as have the opportunity to use a heated pool.

Blessed with good weather the events began at 10 a.m. The mammoth task of supervising the participants was handled by at least 2 leaders from each of the participating communities and the staff of the Terrace Bay Pool: Shelley Dick, Jody Bertin, Curtis Evoy, Tammy Trach, Danny O'Keefe, Karen Fournier and Gord Lange.

Some of the many events that took place during the day included a Cannonball contest, water dodge ball, greased watermelon football, water balloon toss, belly-flop and diving contest, a mini-triathlon and a Giant Whirlpool, where all of the participants got into a circle, ran and created a whirlpool.

The theme of the day was "Sunglasses, Hats & Bowties" and some of the combinations worn by the supervisors were a sight to be seen.

The day was an enormous success and future plans call for the event to be repeated every year, moving from community to community. Next year 20 Terrace Bay youngsters will travel to a pool in another North Shore community.
