1985
CENTENNIAL

CP Rail's Schreiber Division Running Trades Employees have now worked 20 months without a lost time injury. In 1984 the Schreiber Division had the best safety record for the Running Trades right across Canada.

Let's all strive to repeat this in 1985.

Safety on the job is for everyone's personal benefit. Mothers, fathers, sons and daughters ... everyone benefits when you work safely.

A message to the families of CP Rail's Schreiber employees.

Keep up the safe work, at home and on the job.
