Local PC's send ten to conference

by DAVID CARSWELL

On September 29, the Schreiber Recreation Centre was the scene of the Lake Nipigon Progressive Conservative Delegate selection meeting. 56 eligible voters showed to elect ten representatives for the upcoming Progressive Conservative Leadership Convention in Toronto.

After the lengthy selection process, the following people were chosen to represent the riding: Norman Boon (the riding president, from Schreiber); Micheal Spadoni (Schreiber); Al Harrison (Nipigon); Phil Daust (Marathon); Mary Kay Files (Terrace Bay); Deb-

bie Stewart (Terrace Bay); Margaret Laporte (Nipigon); Marilyn Allison (Geraldton); Jeffery Popovich (Nakina); Lisa Stewart (Terrace Bay); and, elected as an alternate, Jim Viebert (Upsala).

Conservative candidate in the last election, Jim Files, from Terrace Bay, will also be representing the riding in Toronto. Chairman for the election process, Joe Figliomeni, gave a brief outline of the delegates' duties and concluded with the charge that the delegates, "be educated on matters that you are going down there (Toronto) to represent us for..." The

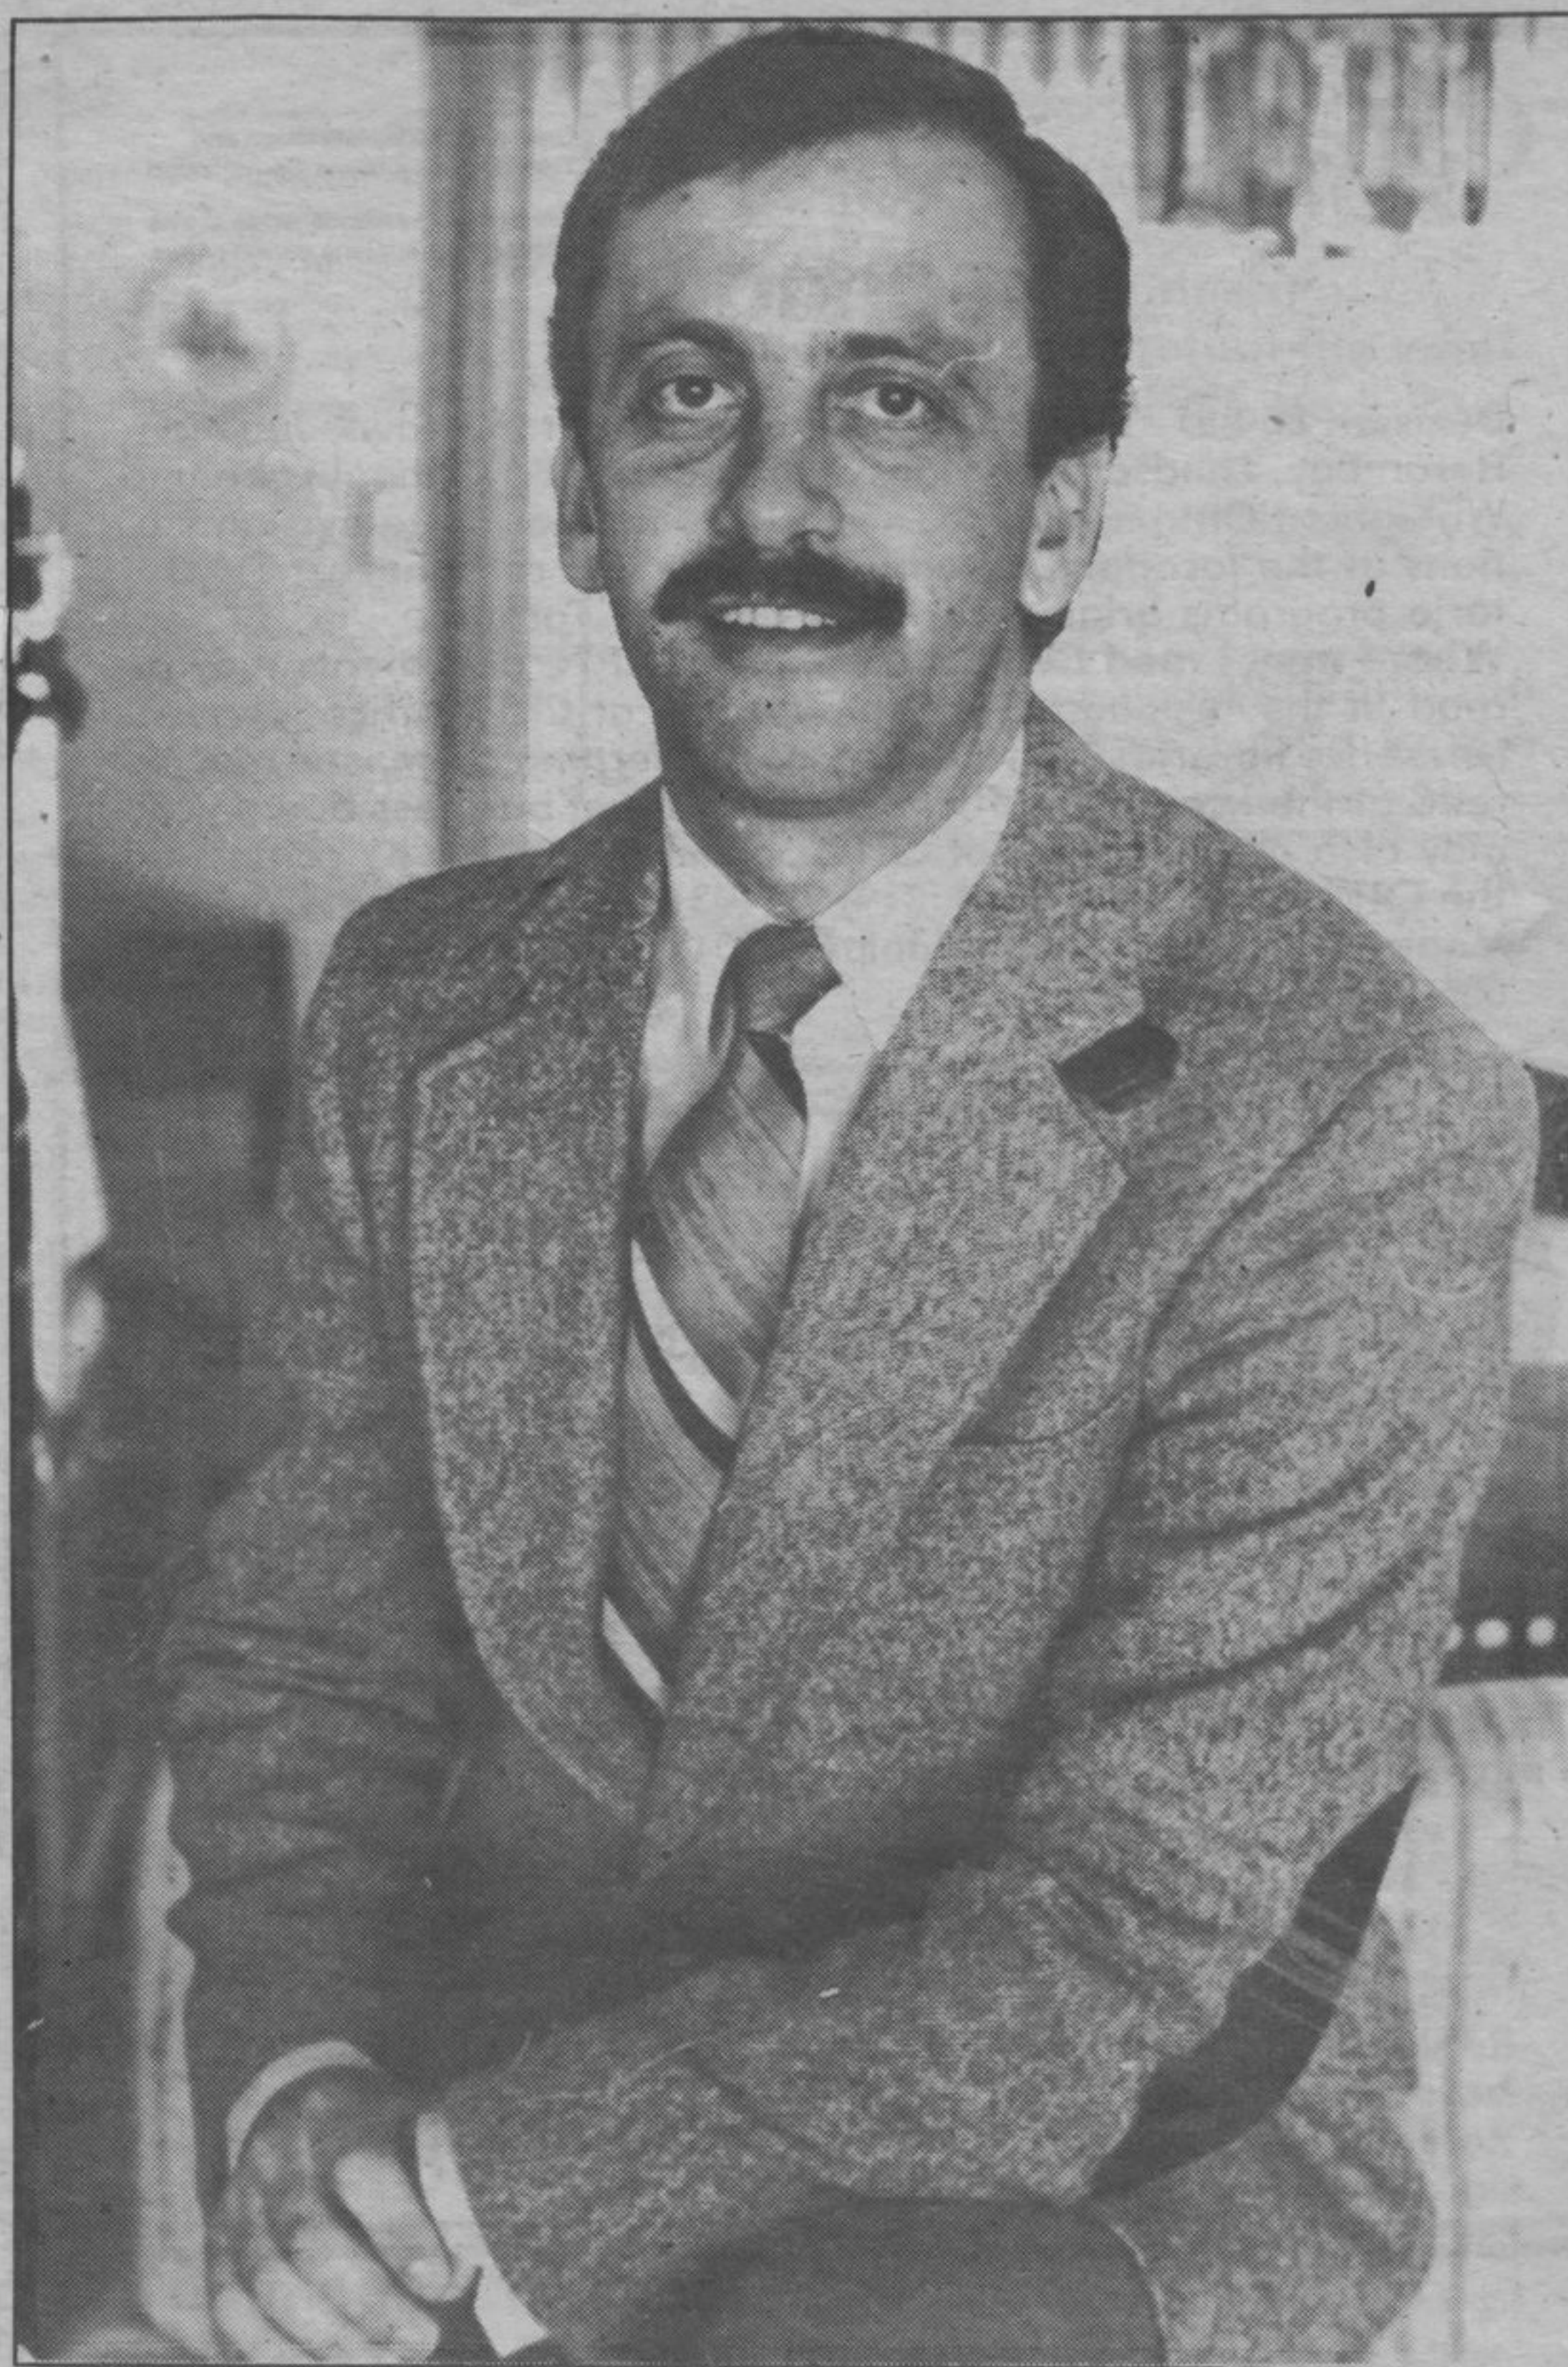

entire process was overseen by an impartial observer from Port Arthur to insure that all of the party regulations were being followed.

Earlier in the day Leadership candidate Alan W. Pope spoke to a gathering of the riding executive and some other party members at a breakfast meeting at the Schreiber Voyageur-Restaurant. Pope and his wife Linda made the stop in Schreiber during their current cross-province swing which has had them visit 82 ridings in 4 weeks. Pope is from Timmins but he does not "assume" that he has the Northern support on the

basis of his home riding. He feels that the upcoming leadership race is going to be a solid three-way fight and he is going to have to work very hard to gain and maintain the support of the various delegates.

Pope is very hopeful concerning Progressive Conservative chances in the Lake Nipigon Riding in future elections. He also feels that in the future that the party will have to install a system whereby the local regions and ridings will have more input and representation.

The leadership convention takes place on November 15 and 16 in Toronto.

Files announces candidacy

Jim Files of Terrace Bay has decided to throw his name into the contest for councillor in Terrace Bay.

A resident of Terrace Bay for the past several years, Jim feels he can offer the community a strong voice in the council chambers and is looking forward to working with the people of Terrace Bay.

Jim and his wife, Marikay, have four children, namely, Jim Jr. 18 years of age; Mary Jo

16; Jennifer 5 and Cara 4, consequently, he understands the difficulties of raising a family in a small town.

When asked what he can offer the residents of Terrace Bay, Jim replies, "I want to be the kind of councillor who is totally accessible to all residents of our town. My family and myself use most of the facilities in this community and I know how important these facilities are to

each and every person.

I would like to see a well defined five year plan for our community. This plan should be available to the public, so that everyone in the community knows exactly where their town is going and will have a chance to voice their opinions on such matters."

Jim will be trying to meet as many people as possible in the next few weeks and he is always available for phone calls.

Initiation '85

Something special happens every year at Lake Superior High School which almost everyone looks forward to. 79 minor grade niners and new students got to experience this festive occasion for the first time Friday, Sept. 20. After spending the day dressed for the occasion and going through certain rituals common to newcomers, they ventured over to Schreiber campus with the rest of the student body to partake in the famous Kangaroo Court. Once everyone was crammed into the gymnasium the house lights were dimmed as the stage curtains opened. There sat the infamous figurehead the "Godfather" with his 18th wife, Tia Maria and his main squeeze, Dominico. As each initiate was charged with an offence he or she was summoned to the stage to receive just punishment. The pictures here illustrate the extent of some of the punishment handed down.
