

# Terrace Bay Police Report

For the period of September 19th to October 10th, 1985.

## "Double Parking in School Areas Dangerous"

It would be appreciated if parents picking their children up at school would refrain from double parking, even if this is only for a few moments, as this can be very hazardous considering the children and cyclists leaving the school at the same time.

Re: St. Martin's School, please note:

In order to alleviate the traffic congestion in front of St. Martin's school, and in the interest of the school children, we are proposing the following: the area in front of the school be used strictly as a drop off or pick up area. We would ask you not to park any longer than necessary in front of the school. We would also ask that you not stop or park on Selkirk Ave. opposite the school. This area is already posted "No Parking."

Terrace Bay Police responded to a call where a Break and Enter had been attempted. There was minor damage but no entry was gained into the building.

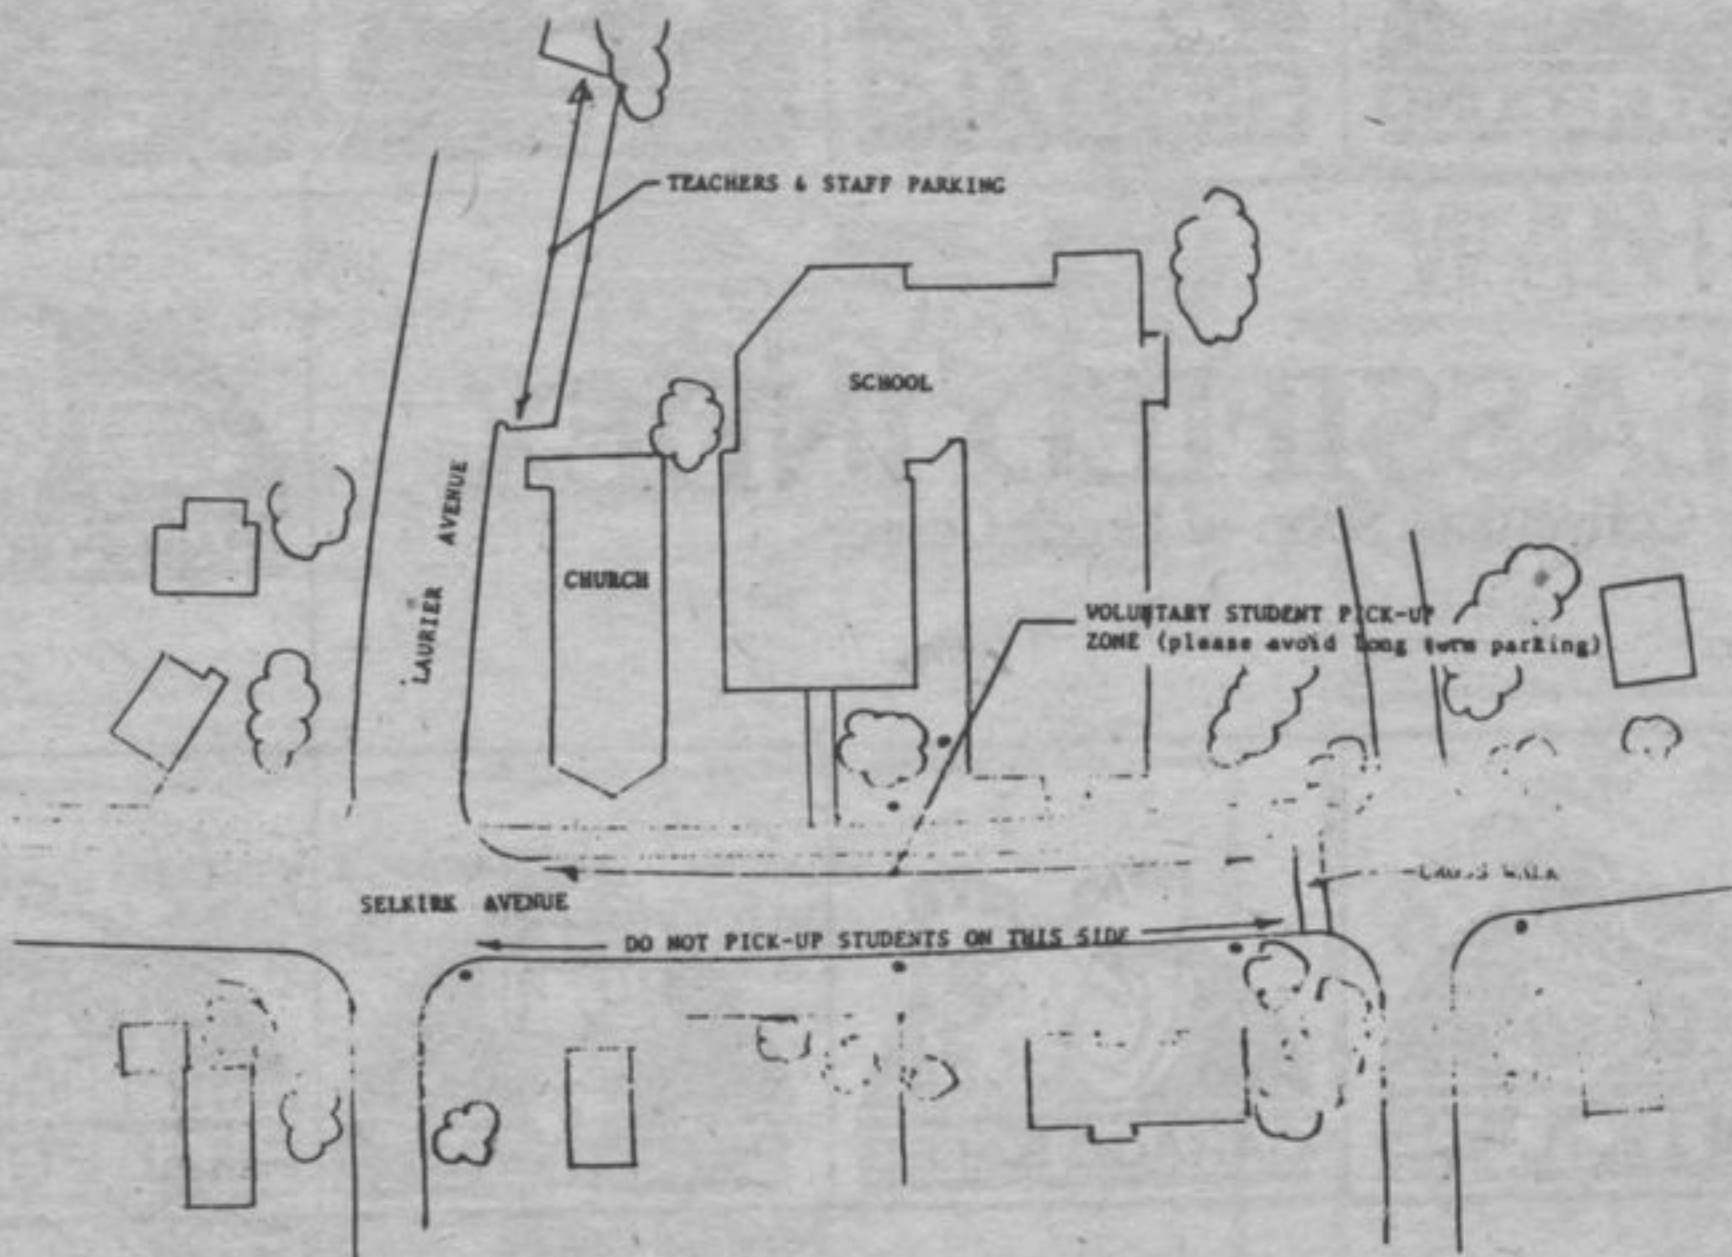

Several thefts were investigated in the past few weeks including theft from Birchwood Terrace, from a local Motel, three thefts over \$200 from Kimberly Clark and theft of gas, this latter resulting in a male person being charged under the Criminal Code to appear in Provincial Court, November 13, 1985.

For incidents of Wilful Damage were attended by Police. Two of these were damage done to vehicles, one parked outside of the High School and one parked at a local Motel. Also reported were wilful damage at a local Motel and the Public School.

Several Summonses and Warrants were processed including a Search Warrant on a Schreiber resident suspected of having stolen property in his possession. This matter still under investigation.

One complaint was received regarding parking in the School Bus Loading Zone.

Four Motor Vehicle Accidents have been investigated, three involved over \$700 damage each and one was a single motor vehicle hitting a moose. Terrace Bay also assisted Schreiber OPP at the scene of an accident at the Steel River Hill.

Several reports of lost and found property were taken including the loss of a brown purse which is still outstanding.

Police responded to a call from the High School regarding a problem with one of the students. The situation was handled by the Constable on duty and no further action was necessary.

A complaint was received regarding obscene phone calls and this is still under investigation.

## Falconbridge

### Purchasing Supervisor Warehouse Supervisor

Corporation Falconbridge Copper is searching for two positions which will report to the Office Manager at its new Winston Lake Mine located near Schreiber in northwestern Ontario.

The Company recently announced that it would bring into production this zinc-rich discovery which includes a significant copper-silver-gold content. Total expenditures of \$52.5 million have been approved. The mine will be modelled after several other Canadian precious metal mines the Falconbridge Group of Companies has recently brought into production. It will combine the most advanced technology and policies to rank it amongst the most cost effective in the world.

**Purchasing Supervisor**

Candidates must have extensive knowledge of materials procurement in heavy industry. Responsibilities will also include the transporting and expediting of materials and the effective handling of federal and provincial taxes.

**Warehouse Supervisor**

The successful candidate will have extensive experience in all aspects of materials handling and management, along with a sound knowledge of internal controls in a computerized environment.

Both positions require several years of directly related experience within heavy industry. Excellent communication and interpersonal skills, combined with the potential for advancement are also essential.

Salary will be commensurate with experience and qualifications and will be complemented by a comprehensive company paid benefits program.

Please submit resumes in confidence to:

Personnel Supervisor  
**CORPORATION FALCONBRIDGE COPPER**  
 P.O. Box 40  
 Commerce Court West  
 Toronto, Ontario
