Councillor Chapman runs for Reeve

Councillor Ollie Chapman announced her Candidacy for the Office of Reeve of Terrace Bay some months ago. With Municipal Elections coming up on Tuesday, November 12th, Councillor Chapman would like the citizens of our town to know why she is seeking that office. Her election motto is -"Accountable" "Accessible" "Able"- A dedicated Councillor who promises to be a dedicated Reeve. As Reeve, Councillor Chapman proposes the following:

- (1) Get the town on a sound financial system. Institute a 5-year plan for all departments.
- (2) Investigate the problems and solutions as to how the Municipality can assist in living accomoda-

tions for those in need.

- (3) Investigate the particular needs of our Senior Citizens, our Teen Citizens, our Handicapped Citizens.
- (4) Maintain Office Hours one afternoon a week at the Municipal Office, to be available to all citizens to discuss any problems and concerns, which would then go to the Council table. The following needs are also realized, and with Council, they would be assessed:
- (1) Investigate ways to get another access to the new subdivision (i.e. Terrace Heights)
- (2) Improved facilities and equipment for Fire and Police protection
- (3) The need for a Day Care Centre
- (4) The need for a Com-

munity Hall

- (5) Re-paving of roads in old townsite area
- (6) Water services to Industrial area (actively seek Government funding for such a project)
- (7) Development of water front Beach area
- (8) Swimming Pool - can the town afford a covered pool?

If anyone wishes to discuss any of these items, or if you have other concerns and ideas, phone Councillor Chapman at 825-3289 and discuss them with her.

Councillor Chapman and her family have been in Terrace Bay since 1959. As your Reeve she wants to guarantee that all of our Citizens will have good and fair leadership on your Town Council.

Youth Bowling on the Move

Tiny Tots from 4 to 6 years of age and children 7 to 12 years of age have taken to the alleys at the Terrace Bay Recreation Centre Bowling Alleys. This is the first year for the little tots and the second for the older group. The pro-

gram has approximately 50 youngsters registered and the concept originated with Reg and Ann Gagg. The Recreation Department was approached to assist and we were very pleased with the response. The program runs every

Saturday for 7-12 year olds and every second Saturday for 4-6 year olds. Drop by and see this fine youth program in operation thanks to volunteer efforts of Reg and Ann Gagg and others. Have you a program idea, if so let's hear from you!!
