Letter to the Editor No. 3

The Honourable Ed Fulton Minister of Transportation and Communications 3rd Floor, Ferguson Block 77 Wellesley Street West Toronto, Ontario M7A 1Z8

Dear Mr. Minister:
During my travels in the riding of Lake Nipigon, the largest in the Province of Ontario, I was reminded of the need to alert your ministry regarding the sound and reasonable proposal of painting a white line to indicate the edge of the pavement.

This measure would prove very practical and highly beneficial. As you are well aware, Mr. Minister, motorists travelling on northern highways are often subjected to heavy fog conditions because of the proximity to Lake Superior on Highway 17 and thelea of Lake Nipigon on Highway 11. Furthermore, it would help drivers meeting oncoming traffic with badly focussed headlights, or drivers who simply fail to dim their lights on time or even during a rainstorm. The benefits accrued from this low cost proposal cannot be underestimated, both in terms of human safety and high insurance rates, resulting from vehicular accidents.

Would you please give positive consideration to including this program in your 1986-87 budget.

Sincerely,
Gilles Pouliot, MPP
Lake Nipigon Riding

Pastry Puffs

The third 4H meeting took place on October 7th. Our leaders Rita McBride and Betty St. Amand were not present. Mrs. Pat Slawson took over for our absent leaders.

We made Peanut Butter cupcakes and Rhubarb Cake. When our desserts were cooking we learned how to beat egg whites. We also learned how to dry measure and how to liquid measure.

When the cakes were finished we enjoyed them greatly. Our assigned homework was to make the cakes at home.
