## Norman Boon for Reeve

I am running as a candidate for the position of Reeve in the upcoming municipal election.

As a lifelong citizen of the town I have always been actively involved in some capacity or other.

I served two terms on the Schreiber town council from 1977 until 1980. I did not run for a third term because I had embarked on a new career in the hotel business after working for thirteen years at the Kimberly Clark paper mill in Terrace Bay.

I retained my interest in council however, and have been a regular attender of council meetings as a private citizen.

I wish to be elected to the office of Reeve so I can work towards the following goals:

(1) By far the most important responsibility of your new Reeve will be to ensure an orderly expansion of the community. After years of having a stagnant population it appears that the opening of the new Falconbridge mine will have a significant effect on our town. I look forward to the challenge of dealing with this development.

(2) I would like to establish more Senior Citizen apartment units.

(3) We must monitor the actions of the Lake Superior Board of Education more closely so that they are held fiscally responsible to the taxpayers and also to ensure that they don't make any more attempts to close our High School without our consent.

(4) We must expand and maintain our recreational facilities. With slow pitch and mixed slow pitch ball becoming so popular we must take a close look at our ball park facilities.

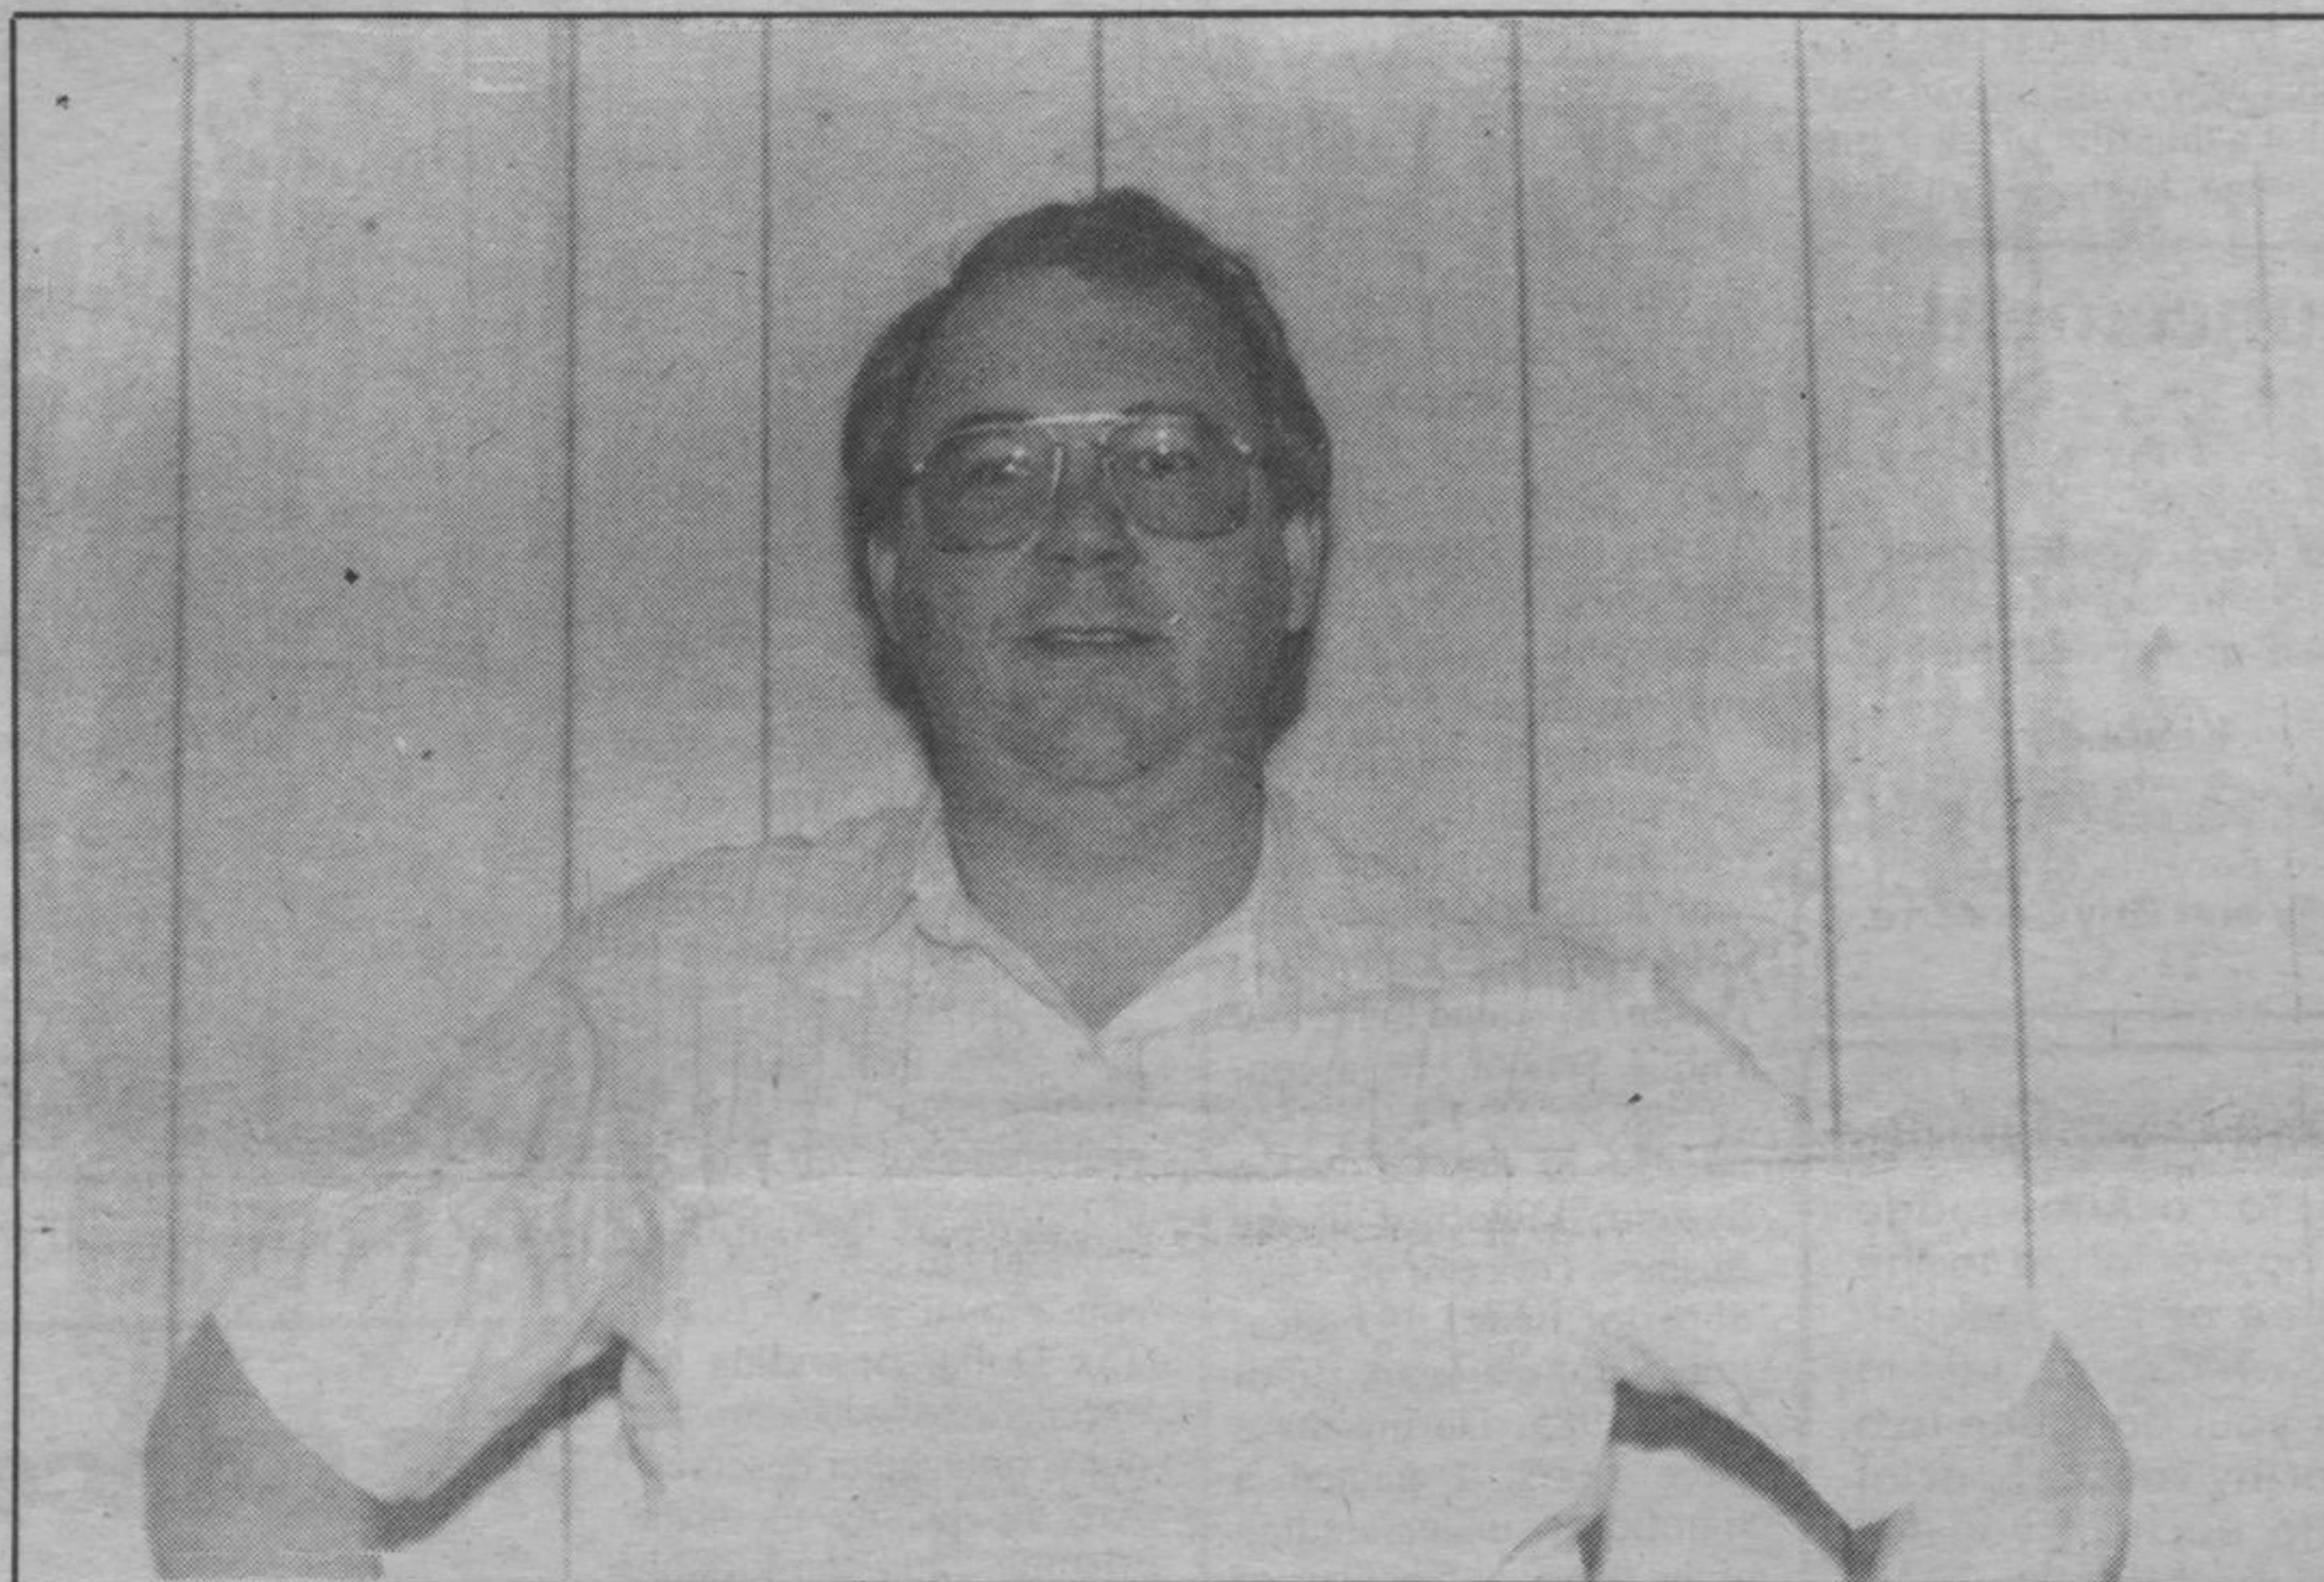

I should point out that my involvement in the community in the past encompassed much more than local politics.

For a period of approximately twenty years I served in every capacity imaginable in the Schreiber Men's Fastball League from player to president.

I have served as a coach and referee in both minor and junior hockey for the past twenty years and continue to do so to this day.

I am presently serving as a member of the Schreiber

## Hallowe'en Drawing Contest Winners

### And the winners are . . .

For age group 3-6: Alison Luxmore, age 4, of Terrace Bay and for age group 7-10: Jason St. Amand, age 7, of Schreiber  
Both of them received passes to the show donated by Towne Cinema and Alison also received a Muppet Babies ViewMaster, and Jason a Masters of the Universe Thunder Punch He-Man, both prizes donated by Robinson's.  
We thank all the kids who entered. It was a difficult choice to make, but the 3 of us judges at the News (Gigi, Marilyn and Gayle) finally came to a decision. Remember the judges' decision is final.
