Terrace Bay Police

Police were called upon in locating overdue hunters. Men were found and no serious problems incurred.

A complaint was received from a local Filling Station regarding a person not paying for gas received. The resident involved was questioned by Police and it was determined to be just an oversight on her part and the Garage was reimbursed accordingly.

Police attended four fire calls in the past week, one of which was a false alarm, the others incurring minor damage.

One local male was charged under the Liquor Licence Act, Sec. 45(4), for being intoxicated in a Public Place.

Police investigated a possible theft from a vehicle which was determined to be unfounded.

Ontario hydro requested Police assistance with traffic control while wires were being erected on the Mill Road.

A report of Wilful

Damage at the Hospital Ambulance Garage was investigated and is still under investigation some evidence having been found at the scene.

All Motorists Please Note

With the onset of the winter months, motorists are reminded it is their responsibility to ensure a clear view of their vehicles. Failure to do so is a contravention of the Highway Traffic Act and the driver is liable to a fine of \$53.00.

Re: School Bussing

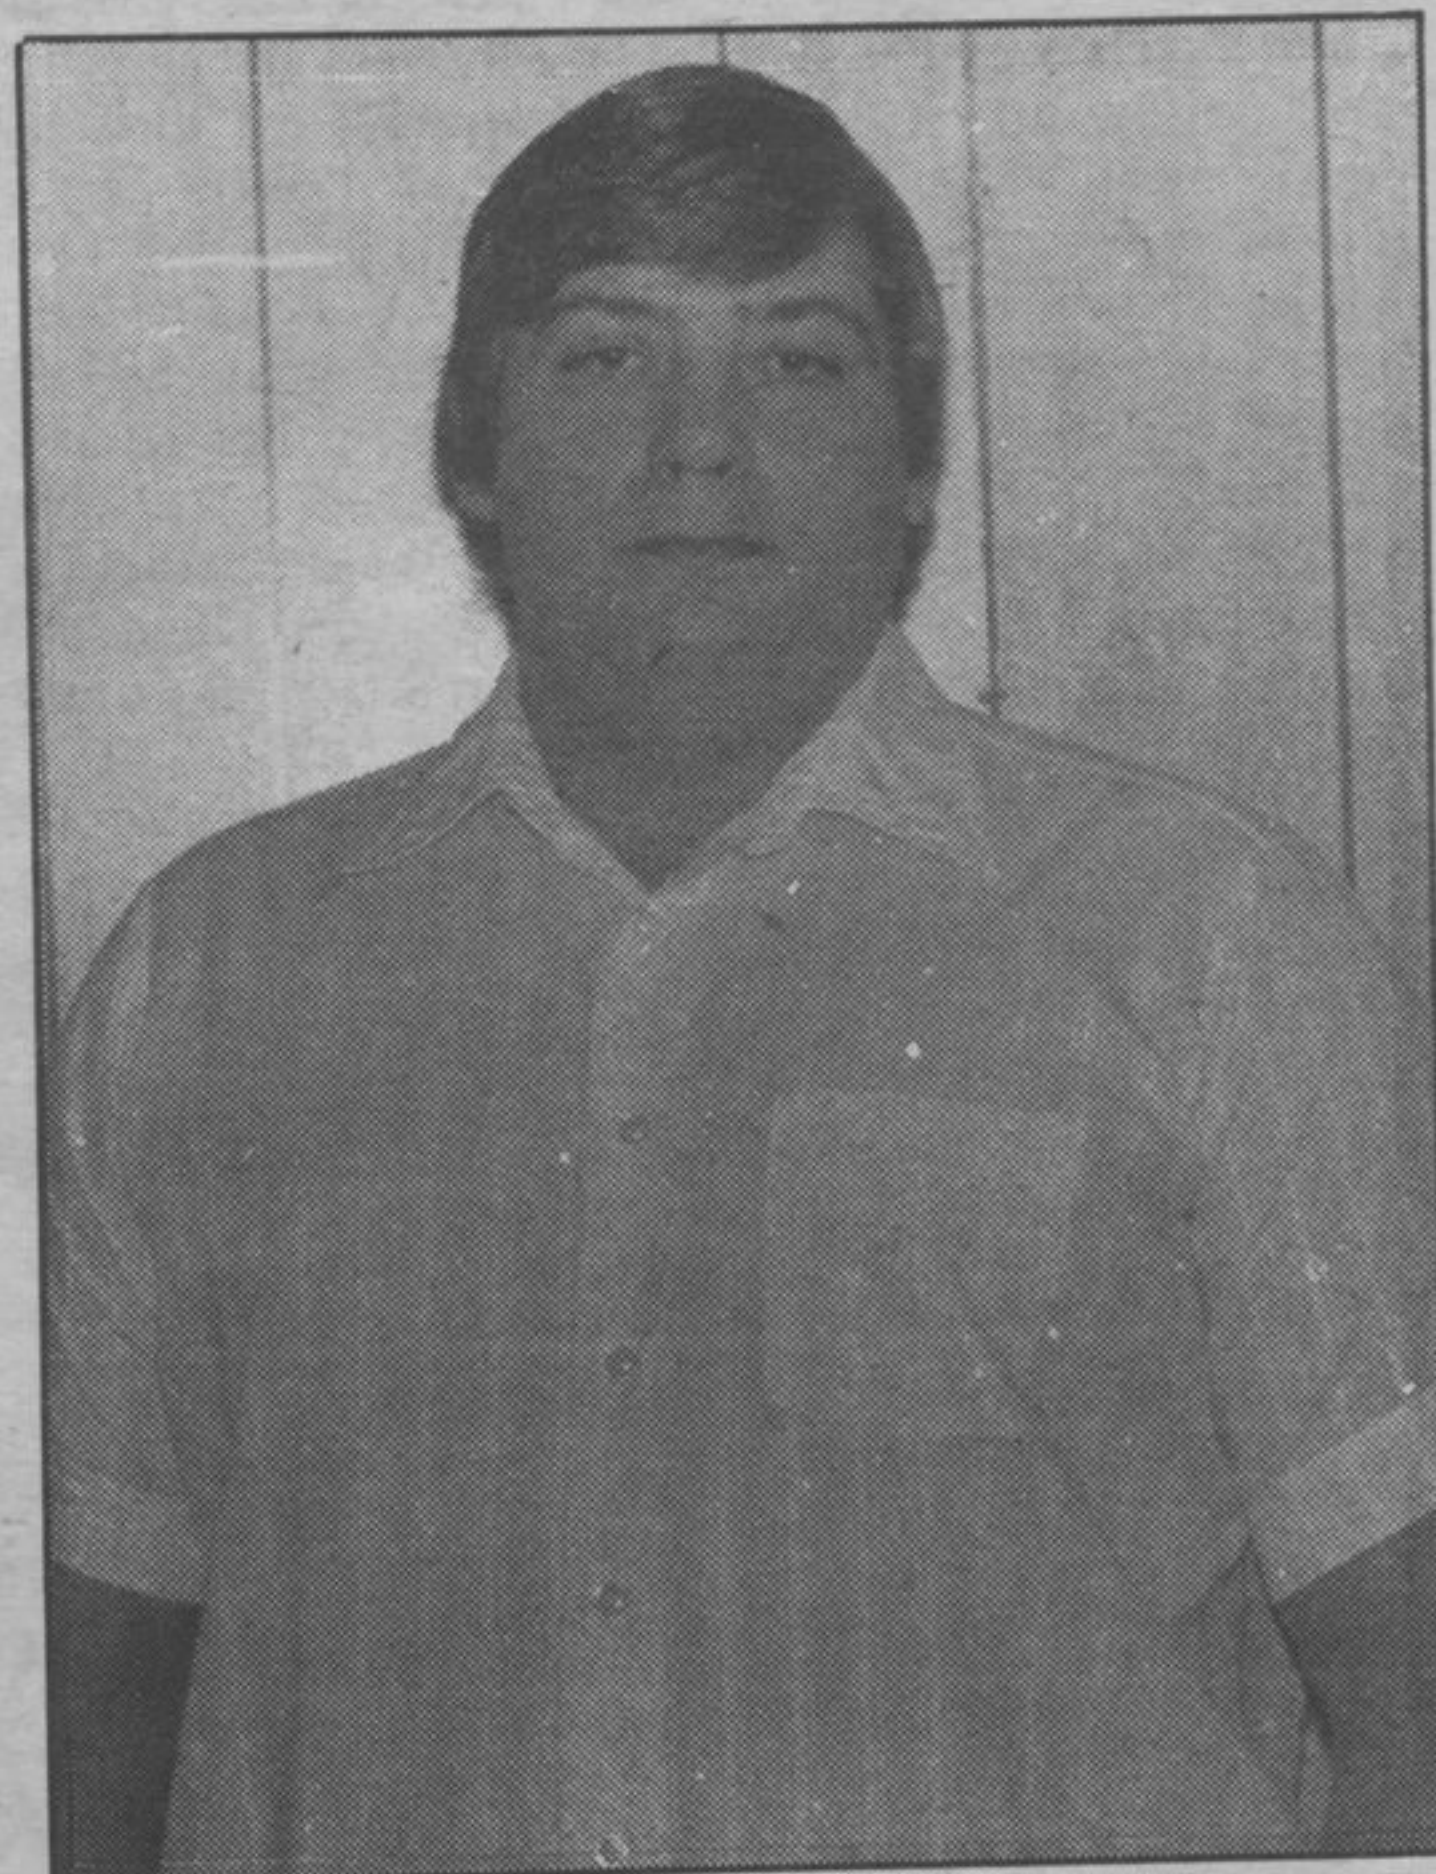

School bussing has commenced for this school year and motorists are reminded that when the bus is stopped with the red flashing lights activated, they must stop 20 meters on approaching the stopped bus. This is to ensure a safe loading and unloading zone for our school children. Failure to comply will result in a fine of \$103.00.

All residents are reminded that this is "Crime Prevention Week" and an open house will be held at the Terrace Bay Police Sta-

tion Wednesday, November 6th from 1-4 p.m. Personnel will be available at this time for any questions, suggestions, a tour of the Facility or just

to meet the people. Everyone is welcome! Please take note of other ads concerning Crime Prevention throughout the newspaper.
