

Officer Russ Phillips of the Terrace Bay Police Department visited St. Martin's School with lessons on Bus Safety. Pictured are Russ Phillips, Grade 1 students and their teacher Mrs. Joanne Mikalauskas.

Mary Cashmore for Council

Oops! We goofed. Mary Cashmore's article should have read as follows:

Having resided in Terrace Bay for six years and being extremely interested in community affairs, I have allowed my name to stand for municipal council. I have a college background in business and marketing and have successfully managed my own business in the Terrace Bay area. To date my involvement in the town has included being a founding member of Project Mayday, as well as being on the executives of Terrace Bay Minor Hockey for three years and the Ladies Golf Club.

As a Councillor for Terrace Bay, I would like to see sufficient funds placed in reserve to implement a sound financial plan. This cannot be done ON A ONE YEAR SYSTEM BUT

MUST BE DONE with planning over several years. An aerial fire truck must be purchased as soon as possible for the safety of our citizens. The streets in the older section need to be upgraded and repaved. Although, past councils have tried to have the second access road to the new subdivision re-opened without success, we must continue to lobby the government to allow a second access road to be used.

Some other areas of concern are: affordable housing for Senior Citizens, easier access to public buildings by the handicapped, improved street lighting and the need for the local E.M.O. plan to be publicized.

I am ready, willing and able to work for Terrace Bay. Please give me your vote on November 12th.

Halloween was in the air. Especially at Robinson's where the clerks seemed to really be enjoying the day.

*Allow me the opportunity
to serve you again*
