Sweet & Sour Chicken Balls

3 chicken breasts, boiled for 45 minutes. Let cool and cut into 1" squares.
 3 cups of flour
 1 1/2 tsp. salt
 2-3 eggs
 3 tbsp. oil
 1 1/2 tsp. sugar
 1 1/2 tsp. baking powder
 1 tsp. baking soda
 water

Combine all ingredients and add enough water to make a thin batter, but not watery. Let stand 1 hour. Heat oil in deep fryer to highest setting. If chicken balls cook too fast, turn down heat. Pour all chicken cubes into batter and drop into hot oil one at a time. Drain on paper towel.

Sauce:

1/2 cup sugar
 1/2 cup vinegar
 1 tbsp. soya sauce
 1/2 cup pineapple chunks
 1/2 cup pineapple juice
 1/4 cup of catsup

sprinkle of pepper
 2 tsp. of cornstarch
 Boil mixture; thicken with 2 tsp. cornstarch. Pour over chicken balls.

Resist Salt

Road salt splashed onto trees and shrubs damages the dormant buds of sensitive trees and causes evergreen needles to brown, says Horticulturist Ruth Friendship of the Ontario Ministry of Agriculture and Food's rural organizations and services branch.

Some tree and shrub species are more resistant

to salt damage than others. Honeylocust, Norway maple, Russian-olive, white ash, blue spruce and Austrian pine are examples of highly-resistant species.

For further information and a species list of salt-resistant trees and shrubs consult the ministry's fact-sheet 83-037 "Salt Damage to Roadside Plants".

O.P.P. Report

Vehicles must stop for school bus with red signal lights flashing

The Lake Superior Board of Education has commenced an In-Town school bus service in Schreiber. This bus goes about the community stopping at designated pick-up locations. Early experience with this new service reflects the fact that a number of motor vehicle drivers have been ignoring the flashing lights and overtaking or driving by the bus when meeting. This is a violation of the Highway Traffic Act and carries a penalty of a minimum of \$100.00 to a

maximum of \$500.00 for a first offence. For a second offence, the penalty is increased to \$250.00 to \$1000.00 or to six months imprisonment or to both the fine and imprisonment. In addition, 6 demerit points are assessed against the driver. Drivers are reminded that the school bus stopping law is valid on streets in a city, town or village, as well as, any other Highway.

On October 29th, 1985, Police investigated a theft of stereo speakers from a local car and later, a report of the theft of a half ton truck which was parked at a Schreiber residence. A male subject has been arrested and subsequently charged with theft under \$200.00 and theft of motor vehicle. The accused appeared in Thunder Bay Criminal Court and was remanded in custody to a future date.

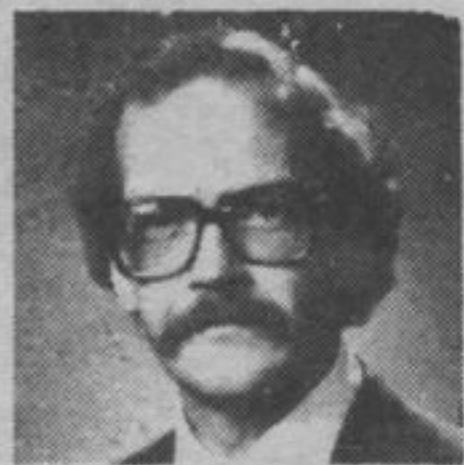

Schreiber Detachment personnel are continuing their investigation of the circumstances of a motor vehicle being vandalized at Walkers Lake in Schreiber as a result of a criminal occurrence. The complaint

was subsequently withdrawn and this aspect of the occurrence is being further investigated.

On October 22nd, 1985, a male subject was arrested on Winnipeg Street, Schreiber and charged with "Causing a Disturbance". He was subsequently charged with "Resisting Arrest", "Assault Peace Officer", and "Possession of a Drug for the Purpose of Trafficking". He will appear in Schreiber Provincial Court on November 13th, 1985.

As a result of investigations commenced on August 25th, 1985, a male resident of Pays Plat has been charged with two counts of Break, Enter & Theft and one count of Theft over \$200. A quantity of stolen property was recovered and the charged person will appear in Schreiber Criminal Court on November 13th, 1985.

In addition to the foregoing, reports of one Break and Enter and one Theft Over \$200.00 were investigated during the past week along with two offences under the Liquor Licence Act. A safe week of using the Highways was experienced with no accidents occurring in the Schreiber O.P.P. Detachment area.
