

What's Going On

The Thunder Bay-based Canada Taiwan Friendship Association will once again be organizing a high school student exchange with Taiwan.

Last summer nine students from across Northwestern Ontario spent two months living with Chinese families in Taiwan and learning Mandarin-Chinese.

All high school principals have been sent details of the program. A slide show, followed by an information meeting, will be held in: Terrace Bay on December 14, 7:00 p.m. at Terrace Bay High School, Room 104.

All residents of Terrace Bay are cordially invited to come and see the slide show, which is entitled "Life In The Other China." Refreshments. Enquiries contact: Gabriel Fritzen.

THANK YOU

To all those who supported me so generously, to all those who gave me their vote, and to my wife, Prisca, and family,

My sincerest gratitude.

Bits and Bites

by Helene Ballard

Hello Folks! Well we sure had a nice snow storm so I guess if anybody was scared of not having snow for Christmas rejoice! it's here. This snow serves to remind us to be extra careful driving, it's better to take some extra time then to drive too fast and end up in a nasty accident.

It's starting to look like Christmas here at the Home our very able craft room lady, Joan LeBlanc has been busy with her "Elves" making nice decorations for the residents to hang on the door of their rooms. This will give a festive look to our Home along with the tree and other Christmas decorations.

Due to the weather conditions Wednesday our card playing friends were

unable to come for bridge and they were missed by our residents, sure hope to see you all next week weather permitting.

On the 21st we had our monthly residents birthday party for our two "Birthday Kids" - Lea Cormier age 82 and Felix Legault age 81. Our hostesses were the ladies of the Moose. We all enjoyed a few games of Bingo after our cake and coffee. We would like to thank these Ladies for their work on our behalf.

At this time we would like to wish all our friends at Costa's Grocery on the occasion of their 25th Anniversary. Our heart felt congratulations and best wishes for many more years serving the folks in our town.

We had a real cliff hanger last week when our residents engaged in a shuffle board tournament and our super winner was William DePerry, also we have 2 real good pool players and now that we have a new pool table these gentlemen want to challenge both the Legion and the Moose for a game of pool how about it guys, any takers? I am sure we will have a good time. If you are interested and would like to set up a game call Joan LeBlanc. We will look forward to this.

Maybe some of you folks saw an item in the Terrace Bay Brochure in the Tourist Centre about Birchwood along with a picture of one of our residents - Bill Dodds sitting at the front entrance playing his violin. Once more getting Birchwood in the news which always helps people get to know

what Birchwood has to offer and how life can be interested and full even in our "Golden Years".

Our senior Bowlers are doing well also, last week August Rantz bowled a 600 game, how about that?

Once more I want to thank all of you who were so kind to help us in our need for egg cartons but we are now well supplied for some time so until such a time as we run out again could I please ask you to not bring any more until further notice? Again our heartfelt thanks.

Looks like we have no Bites lately, well maybe that is a good sign that all is well with our world. If you have any please let me know.

Until next week remember gals, it's not the four legged wolves you have to fear, it's the two legged ones. So long.
