

Letters to Santa Claus

Dear Santa,

For Christmas I want you to get me a Cabbage Patch Kid. My brother Joseph wants a tractor. For my baby sister Robynn, get her a Hello Color. My Dad wants some new clothes and my Mom wants a fur coat.

Love,
Lesley, 6

Dearest Santa,

I have been trying to be a good girl all year, but Nana says "to err is human." My friends try to tell me now that you are a myth, but Santa, I believe in you! I love you so much. For Christmas I would like a transport cab, and a bag of money from the Brinks truck. I will leave you some shortbread and tea, and some apples for your reindeer. Have a safe trip, and don't forget my house.

Love,
Kathryn

Dear Santa:

How are you this year. We are both fine. This year I would like a transformer truck and a 4x4 truck with a winch. Derek would like some Go Bots and a GI Joe battle platform. My baby cousin Janson will be at our house for Christmas, so please don't forget about him. He likes trucks. Thank you.

Love, your friend
Dale Sitko

Dear Santa,

This year my brother and I want Sectaurs and Masters of the Universe figures and anything else you want to give us. Thank you. By the way we hope you get here soon, this being good all the time is really hard work.

Love,
