Bits and Bites

by Helene Ballard

Hello! Here we are over halfway through January, so I guess we can take heart as spring is on the way.

We had a very enjoyable afternoon on Jan. 16 when the ladies and the Pastor from Pentecostal Assembly Church hosted the monthly residents' birthday party. After the usual coffee and birthday cake, we all had a good time playing games.

On behalf of all the residents I would like to thank our hosts, Pastor Keith Milne, Elizabeth McLean, Patsy Cagy, and Amy Cagy, who won our hearts as she passed napkins to all the residents. A sweet wee three year old.

On Jan. 6 Ukrainian Christmas by the Julian Calendar was celebrated here at Birchwood Terrace.

Peter Monks, president of the Multi-Cultural Society in Terrace Bay, and our Joann LeBlanc put their heads together, and as Peter is an excellent cook,

they made the special dishes for an evening dinner with four of our residents plus family and friends in a group of 12 who sat down to the following:

Kootya (wheat, honey and poppy seeds), Kolach (braided wreath of special bread), fish, mushrooms, borsch or beet soup, cabbage rolls and perogies, and a special dessert made by Stella Gusel, with rolled crepes, with cottage cheese and lemon and vanilla flavored filling which was just excellent.

Guests were Mary Dashkewych, who speaks excellent Russian, who took care of Bruno, who was born in Russia. She spoke of her recent trip to that country. She wore a lovely Ukrainian blouse which lent a special festive air to the table. Our new resident, Ann Ryback and her family, Mr. and Mrs. Bouterlier, Mr. and Mrs. Gusel, and Mr. and Mrs. Robichon, friends of Bir-

chwood residents, also attended.

It was a welcomed, pleasant dinner with Ukrainian carols, taped by Peter and played as background music. Good food, thanks to Peter; good fellowship, thanks to our guests. It was a happy and festive Little Christmas for our Ukrainian, Polish and Russian residents. It was the first but by no means the last.

It would be great if all our Ukrainian families in the communities could get together and celebrate "Little Christmas".

Many thanks again, Peter, for your wonderful support and good luck when the big conference of all Cultural Societies in the northwestern area come together in Terrace Bay this year. We wish you much success in your endeavors in 1986.

For those of you who have contacted me in regard to the street lights which are either broken or burnt out, I have been ask-

ing the guys at Hydro to fix them, but I was informed that these gentlemen cannot do any repairs without a written work order from the Town Office.

So, being as nice and polite as I can be, I ask whoever is in charge of this to please see to this. Women walking home from late shifts are not happy about this and would be grateful if street lights could be attended to without taking weeks to do it.

Thanks you, and now ... Mother to small son, go to the bathroom and take a bath, to which the boy replied "But Mom, I'm not dry from my last bath yet!" So long!
