

Terrace Bay Rod and Gun Club elects new executive

Preston McKeever of Schreiber was re-elected as President of the Terrace Bay District Rod and Gun Club at the organization's annual meeting held in Terrace Bay on January 20.

McKeever was acclaimed to the position, as was Bill Tait in the Vice-President election, after two other members declined their own nominations.

Following the elections, McKeever discussed a number of things with the club members in attendance, including the upcoming Open House at the proposed Slate Islands land use plan, which will be held Feb. 4 and 5 at the Ministry of Natural Resources Terrace Bay District Office.

He also explained that the 40,000 speckled trout eggs that the club obtained last year are now in an incubator and are expected to hatch later this month or early next month.

A motion was passed

establishing the end of February as the deadline for membership renewals. Shirley Love, who was elected as the groups' treasurer earlier in the meeting, said there are now 21 paid-up members. Club

memberships are \$25 per year per person or \$32 for a family.

Two films were shown to conclude the meeting, including one that was shown last year at Ontario

Place in Toronto. Bill Love, the club's new Range Officer, told the News that the association has a long history, though it was only reactivated about five years ago.

In other club executive elections, John Fitzpatrick took the position of secretary while Shirley Love won the job of Membership Chairwoman.

Bruce Sutch and Rick

Slawson were selected as Directors while McKeever, Tait, and Bill Love remained in the Nominating Committee. John Falzetta and Bruce Sutch volunteered to be Membership Assistants.

Sports News

This has been a busy week as far as sports are concerned in the Terrace Bay-Schreiber area, with a number of teams taking part in area tournaments and doing fairly well, too.

At the 15th annual Marathon Pee Wee Tournament, the championship game was won by the Schreiber team, 4-3 over the Wawa Raiders.

Schreiber also won at the North Shore Bantam Tournament held last weekend in Schreiber. The host team defeated Marathon in a two game total goals series, 6-2 and 4-1.

Another Schreiber team, the Sabres, won the second annual Terrace Bay NBC (No-Body Contest), also held last weekend. That story can be found elsewhere in this week's Terrace Bay Schreiber News.

Snow Removal

Keeping the streets free of snow and safe to travel is one of our biggest jobs, and it's important to everyone. Residents can help to make the process quicker and safer by observing a few simple but important rules:

1. Do not park on the streets overnight.
2. Do not deposit snow blown or shovelled from your driveway or walk on the roadway.
3. Do not leave objects in or near the snowbanks, as they can damage snow removal equipment.
4. Encourage your children not to play on snowbanks or near the streets.
5. When driving during or after a snowfall, be especially alert for the presence of snow removal equipment.

In addition to being common sense, some of these rules carry the force of law, and failure to observe them may result in fines being levied.
Your co-operation is appreciated.
