Commodores, command comeback

By Doug Roberts

The Terrace Bay-Schreiber Midget Commodores are the 1986 champions of both the North Shore League and the Eastern Zone of the Thunder Bay Amateur Hockey Association.

They won the North Shore crown by capturing a two game, total goals scored series with the Marathon Midget Mercuries. In the first game in Schreiber, they skated to a convincing 7-4 win.

Despite being down three goals going into the second game in Terrace Bay, the Marathon team jumped into an early 2-0 lead and carried the momentum until the second period, when the Com-

modores began to fight back to eventually go ahead by 4-3.

Then, with less than a minute to go, Marathon scored to leave the game tied at 4-4. The Commodores, however, won the series by a total score of 11-8.

In the Eastern Zone championships in

Marathon, the Commodores won the first game in the best of three series with the host team in a hard-hitting 8-4 score.

In the second game, Marathon bounced back to win in overtime by a score of 5-4, setting the stage for the third and deciding game the next day.

Trailing 4-2 going into

the third period, the Commodores scored three unanswered goals to win 5-4 and gain the right to advance to the Thunder Bay District Championships to be held on the Easter weekend in Thunder Bay.

Congratulations and best of luck to coach John Mackenzie and the Commodore team: Yves Jean,

Tony Speziale, Keven Roberts, Coe Comisso, David Mikkonen, Emmett, Houston, Jamie Figliomeni, Darren Dooley, Frank Comisso, Kenton Klassen, Danny Duggan, Robin Prince, Neil Zwanesk, John Gosselin, Scott Mauger, David Lalonde, and Bruce Nugent.

Hospital Highlights

By Elizabeth Singleton

Terrence Bay's McCausland Hospital is holding a Hospital Day on Tuesday, March 25. Come for a tour and visit the information booths on "Helping You Stay Healthy."

Tours will be conducted from 2 p.m. to 6 p.m. by members of the Board of Governors. Refreshments will be available.

Chief Laboratory Technician, Jim Files, was recently appointed Director of Education for the Ontario Society of Medical Technologists.

Jim also moderates seminars from the McCausland Hospital which are heard in 40 hospitals throughout Ontario. The Education Committee developed by the OHA (Ontario Hospital

Association) was designed to improve and enhance managers within the laboratory and technical services in Ontario hospitals.

Jim and his committee are now working on the

development of a two day seminar to be held in Toronto, involving computerization in labs, management of employees, better methods of controlling funds, and utilization of lab tests.
