

# Schreiber Winter Carnival was 'a complete success'

continued from page 1

The sculptures ranged from Care Bears and Rabbits to dinosaurs and giant cats, boats and titanic to space shuttles, leprechaun and beavers.

The judging was extremely difficult as all the

trineis were well done and took long hours of hard work. The final decisions were:

- 1st: Zaporzan's "Big Foot" Truck
- 2nd: Moorey's "Cabbage Patch" Doll
- 3rd: Thrower's "Ski-doo"

Carnival organizers would like to thank everyone who made sculptures and promise that due to the fantastic response, next year's competition will have a number of categories and age classifications.

## Road Hockey Tournament

The Road Hockey Tournament provided a wet weekend of exciting action. When the final horn sounded, the Road Warriors defeated the Defenders in the championship game.

The consolation game saw Campbell's defeat the Bantams in a very wet contest. Special mention should be made of the Terror Bay Rumlbers. Although they did not win too many games, they did provide their own unique

version of how road hockey is supposed to be played (on your back in the water).

## Mini McCuaig Curling Bonspiel

The Bruce Thomson rink with lead Colleen Wilson, Second Doug Merrick and Vice Terry Thomson defeated the Jim McCuaig rink in an exciting final game to take the "A" event of the bonspiel. The "B" event went to the Coe Figliomeni rink who defeated the Lawrence Speziale Rink, while in the "C" event the Tom McCuaig rink defeated the Mike Serre rink.

## Chimo Club Card Night

Winners of the Chimo Card Night were: Crib Tournament, "A" event, Ed Borutski — "B" event, Colleen Gauthier — "C" event, Paul Gauthier.

The winners in bridge were as follows: Ladies high was Alice Sparkes, Mens high was Art LeBlanc, Ladies Consolation was Yola Cebrario, Mens Consolation was Martin Ryan.

In the double draw, first was Mike McGrath and second were Beth McAdam and Winnie Campbell (tied).

## Pee wee Hockey Action

In the Pee wee Invitational Tournament, Terrace Bay defeated Schreiber for the Championship. In the Pee wee Zones held the following weekend, Schreiber turned the tables and defeated Terrace Bay to earn the right to represent the North Shore in the District Playdowns.

## The Great Broomball Challenge

The carnival wound up on Sunday, March 16 with

the Great Broomball Challenge. The Figliomeni Family played the representatives of the Town Council and the Recreation Committee Department. It was an exciting game with a number of end-to-end rushes punctuated with an even larger number of fantastic crashes and falls worthy of ABC TV's Wide World of Sports coverage.

In the end however, Reeve Mike Cosgrove's booming shot eluded a number of brooms as it bounced, trickled and slipped into the net as the Town held on to a tight 3 to 2 lead to win the game.

Contrary to what some of the fans thought, the "reps" did not cheat. They just made use of some very obscure rules such as the designated import rule and the black watering hose which may only be used on "butchers" named Joe. Other goal scorers for the reps were "Boom Boom" Quinton and "Animal" Larivee. Goal scorers for Family Figliomeni were Mario "Crash" Filane and Joey "Oops I hit it" Figliomeni.

## Pool Tournament

The Pool Tournament sponsored by the Recreation Department saw the following winners: Age 13 and under: 1st, Bily Roen; 2nd Mike Renaud Age 13 and over: 1st, Mike Carangi

The organizing committee would like to thank all those who participated and helped in any way. It is hoped that by starting the organization a little earlier next year's carnival will be bigger and better than this year.

Schreiber Recreation Department

# Chemical spill discovered in Schreiber

continued from page 1

police were called to investigate a chemical spill at the Voyageur Esso station on Highway 17 in Schreiber. The officers at the scene determined that a westbound tractor trailer unit had made a routine stop. Upon checking his vehicle, the driver noticed a liquid leaking from his trailer.

Further investigation showed that a 45 gallon drum containing the hazardous chemical known as Diphenylmethane-4, 4-Diisocyanate, or MDI for short, had ruptured. It was estimated that 15 gallons had been lost through the leak since it began in the tractor trailer on its way to Schreiber.

The police report added that Ministry of the Environment officials were contacted and they authorized the truck to continue on to Thunder Bay after its load had been stabilized.

Town fire department crews led by Fire Chief Peter Doig then cleaned up the spill while OPP Constable Peter Cox of the

Hazardous Goods Investigation team from Thunder Bay continued the examination.

According to Ministry of the Environment District Officer Jim Drummond in Thunder Bay, the Kingsway Company truck was inspected when it finally arrived in Thunder Bay, and investigators found a second drum that may have also been leaking MDI when it was being offloaded.

Drummond explained that the chemical is commonly used in fiberglass and in automobile spray paint.

"It's quite a bad substance," he added. "Some people can tolerate it while others can't." If ingested, the chemical breaks down within the body to form hydrogen cyanide, a potentially deadly poison.

MDI can be neutralized

to become a non-hazardous material by the process of polymerization, he said. Peat moss was used at the site of the spill in Schreiber to absorb some of the leaked liquid.

"The peat moss will be sent back to the company, and they will neutralize the chemical and dispose of it," Drummond added. The company manufacturing the MDI is General Latex and Chemical Ltd. of

Brantford, Ontario.

There was a less serious, unrelated chemical leak from a transport travelling east on Highway 17 on March 15. The problem was reported to Terrace Bay Police, and Chief Russ Phillips said the leaking substance was a corrosive liquid. The transport was subsequently detained by OPP in White River where the leak was controlled and contained, Chief Phillips added.

# Files resigns as Councillor

continued from page 1

"Council is well on its way now to some policy development," Files noted. "We have made the

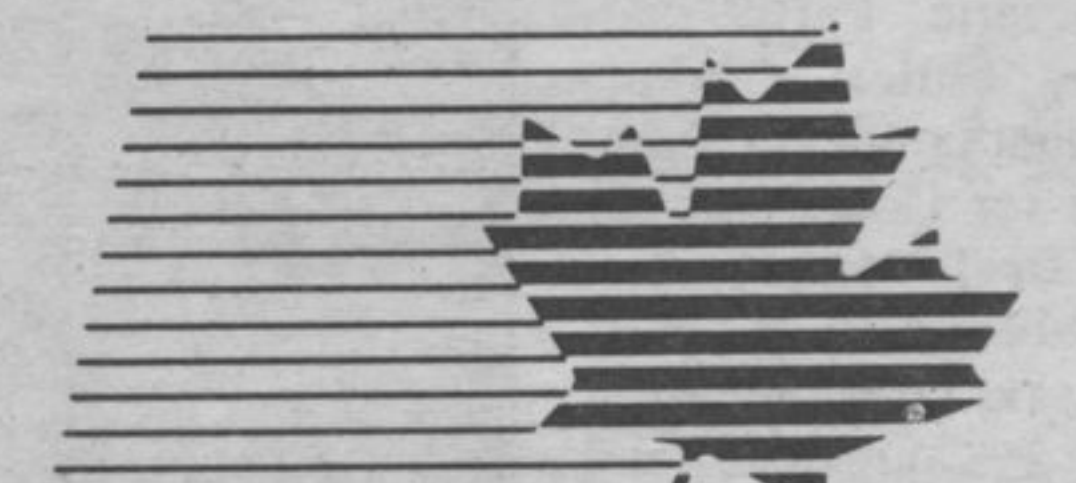

initial step ... I'm happy to see that being done, and I'm very sorry to leave. I've grown to care about this community."

Files, who is originally from Southwestern Ontario, has lived in Terrace Bay for eight years, along with his wife of ten years, Marikay, and their three children: Jim, Jennifer and Cara.

He will be resigning from McCausland Hospital on April 11, but added that

"I'll be back to visit ... you haven't seen the last of me yet."

Reeve Ollie Chapman and Councillors Ramsay, Peter Romanuk and Jim Ziegler were unavailable for comment. According to the Municipal Act, the vacancy created by Files can be filled by a by-election or by appointment.

Survived by his wife Alma; children Gayle Savoy of St. John, New Brunswick, Robin of Schreiber, step-children Brenda Campbell of Schreiber, Dorothy Kenny of Terrace Bay, Michael MacDonald of Terrace Bay, John MacDonald of Fort Frances, and Sharon Petrus of Espanola. Also survived by his brother Alex, sister Irene McPherson, and grandchildren and great-grandchildren. Predeceased by his son Harry. Resting at St. Andrew's United Church, Schreiber. Funeral services on Tuesday at 4 p.m. Interment Schreiber Cemetery.

# Sculptures win

According to a recent news release, the Schreiber Kinsmen Club sponsored a Snow Sculpture Contest in conjunction with the Schreiber Winter Carnival held earlier this month.

There were a total of 22 entries entered, with a wide variety of themes ranging from ships to shuttles to pets and nursery rhymes.

The first prize of \$150 was awarded to Morris Zaporzan for his four wheel drive version of a Big Foot truck. The second

prize went to Janet Mooney for her larger than life Cabbage Patch Doll, while an ice fisherman, literally ice in this case, was good enough for third place for Jerry and Evelyn Thrower.

The judging was done by three independent Schreiber residents: Mike Reid, Mrs. J.R. Rummery, and Mrs. R.G. MacAdam. The winners were announced at the Kinsmen's St. Patrick's Dance on March 15, the release added.
