

Interest in forming Community Band increasing in TB

Terrace Bay Recreation News: for week of April 2, 1986:

There is once again a desire of some interested citizens to form a Community Band.

At one time such a band existed under the name of the "Terrace Bay Community Concert Band". When this group ceased to exist, most of the music and instruments were not returned as there was no actual party to return them to.

We ask that anyone knowing the whereabouts of these instruments and music to please contact Terry Bryson at the Recreation Office or Bill Houston at the High School. The misplaced music and instruments is essential for the continuation of this band.

The new group of persons involved in forming the band now meet on Thursday evenings at the High School. We are asking anyone from Terrace Bay or Schreiber who is experienced in music and wishes to become involved to come out on Thursdays and join the group.

Fun Run Walk:

The Annual North Shore Director Fun Run Walk is less than two months away and we all remember how the title was awarded last year. The community with the largest percentage of their population involved received the banner.

The banner is presently displayed at the Schreiber Recreation Centre. Watch out Schreiber here we come! Next year the banner will be located at the Terrace Bay Recreation Centre.

My counterpart in Schreiber has ensured me that the banner will stay in Schreiber and he will go to all ends to ensure this!

Well the challenge begins! Terrace Bay residents, we encourage you to join our Milers Club to prepare our community for the upcoming event.

Racquetball Tournament:

The Racquetball Tournament was completed on March 24 with Roland Crevier being victorious over Bob Gugelyk in the final set. Winners of the draw were John Rowe - racquet, John Grandin - sport glasses, and Keith

Milne - racquetball, wrist bands and headband. Congratulations to all who participated.
