

All ball league field requirements needed now

Terrace Bay Recreation News for the week of April 23, 1986.

The recreation department extends a thank you to the many user groups of the Arena, Curling Club and Bowling Lanes for a great season. These three facilities are the more active components of the Recreation Centre and we thank you for your co-operation this past season. We will see you next fall and encourage you to let us know if there is any improvement we can make to make the facilities more satisfying to the user groups. We are always open for discussion and we encourage your input.

Ball Leagues:
Please submit your field requirements to the recreation office by May 2 to enable leagues to prepare their schedule. The fields will be available for use beginning May 19. Please submit your field time requests by May 2 to be considered with all others.

The policy for users of

the field has changed to read, "All participants in any ball league must be valid recreation members." Single activity memberships are available at the Recreation Centre. Cost \$30.

Mixed Slow Pitch:

Teams wishing to enter are reminded that a meeting has been held and the maximum number of teams allowed to enter will be soon met. Contact Maureen McDonald or Herb Finley for more information.

Men's Slow Pitch:

News has reached this office that the Men's League is ready to go with a complete complement of 10 teams entered this season. The league is also planning their annual tournament on July 25, 26 and 27.

Minor Ball:

Once again the Recreation Department will be coordinating the Minor Ball Program. We will be starting around May 18 and would appreciate hearing from anyone who would be

willing to donate approximately two hours per week to assist with coaching, umpiring, etc. We are anticipating another great year with over 100 youngsters being involved. We need your help and comments to improve this program for our youth.

Arena Summer Indoor Recreation Program:

We have made an application to the Ministry of Tourism and Recreation for a youth for organize a summer indoor recreation program and your suggestions on activities would be appreciated.

North Shore Director's Fun, Run, Walk 86 — May 26:

Less than five weeks

away WILL we go down to defeat again this year or will we gain the banner that declares the fittest community. Watch for details or call the office if you have suggestions or challenges.

"Where Is The Music"

To date we have received very little response to our request for information on the whereabouts of the Sheet Music and Instruments that belonged to the Terrace Bay Community Concert Band.

Anyone having any information on the aforementioned music and instruments is asked to please contact Bill Houston or Terry Bryson. This music was given out in good faith

and we would appreciate having it returned.

Spring and Summer Brochure:

The new updated 1986 Recreation Department Information Brochure is now available at the Office. Valuable information on the Recreation facilities and activities for visitors or new residents can be obtained by picking up a copy today.

Programs:

Gwen Black and Maureen Tychoniak will be holding another six week session of their respective exercise classes. These sessions will be open to those who have previously participated in Gwen or Maureen's class.

Drying Plants:

The date May 3 is fast approaching for the Drying Plant seminar being conducted by Eleanor Gould. This program will show the participant how to collect, preserve and care for plants which may be used later for decorating purposes. The making of a Pot Pourri will also be demonstrated.

Pre-Retirement Planning:

This one evening seminar will be held on April 24 from 7 to 9 p.m. Participants will be given information on how to prepare for retirement both physically and financially. This preliminary introduction will lead to a more extensive program to be presented in the Fall.
