

Umpires and coaches needed

The Terrace Bay Recreation Department is desperately in need of Minor Ball Coaches and Umpires. The youth between 5-17 have come out in full force to register and we need adult volunteers to assist with implementing this program. Please give us a call if you can spare one or two hours per week for the youth of Terrace Bay.

Indoor Recreation:

The Recreation Department have been approached to implement a summer recreation program in the arena for the summer months. There is some interest in Men's Ball Hockey open time for Youth Volleyball, and Basketball.

If you would like to see a particular program, give us a call. If we are successful in obtaining financial assistance from MTR the hours will be 1 p.m. to 9 p.m. Monday to Saturday.

Bowling Alley:

The alleys are available for special bookings re: Birthday Parties, Family Gatherings and other events. Evenings throughout the week are also available with the conclusion of the bowling

leagues. Call the office to arrange your special time in the bowling alley.

Fun Run Fun Day:

We have a package together for this fun filled day and it will be distributed in the near future. However, if you would like a sneak preview drop by the office for your copy. There is lots for everyone. It will be a fun day with your involvement.

On its side

Following an unexpected snowstorm earlier this month, driving conditions became somewhat hazardous, as the driver of this tractor-trailer unit found out. His vehicle hit an ice-covered portion of Highway 17 east of Schreiber and rolled into the ditch on its side on May 1. He was not seriously injured as a result, but the truck sustained \$75,000 in damages, according to the police reports.

Fun Run kicking off May 26

Everyone, young and old alike are invited to participate in the seventh Annual North Shore Recreation Directors "Fun Run" Participation Challenge, to be held on Monday, May 26, 7 to 9 p.m. in most North Shore Communities.

What is the North Shore Recreation Directors "Fun Run" Participation Challenge?"

For the past seven years the North Shore Recreation Directors have sponsored this highly successful and enjoyable Fun Run. The concept is simple. Participants can walk, run, bike on a one mile route, set out by the Recreation Department / Recreation

Committee. Bring a friend. Participants upon completion of the Run receive a Fun Run Button.

In 1985, the Fun Run had 4,410 energetic participants.

The winning Communities are determined by: (a) The community with the highest percentage of their population completing the Run, and (b) The community with the greatest number of people

participating.

In each case a Banner will be presented to each of the winning communities.

Come and join your friends and neighbours on the North Shore in the seventh Annual North Shore Directors "Fun Run" Participation Challenge on Monday, May 26. For further information, contact the Recreation Department in your community.
