Jump Rope is an effective way to improve cardio-respiratory conditioning, balance, co-ordination, speed, agility, flexibility, power, and timing.

Students had to skip in teams for two hours. These teams were sponsored by the people of Schreiber and Terrace Bay.

The students wish to thank the people of both communities for their support of this most worthwhile endeavour.

**Rhythm, no rhyme**

The Percussionists group stopped in Terrace Bay on their Youth and Music Canada tour last week, and are seen here in practice just before the show. From left to right are Bill Brennan, Mark Duggan, Michael Cote, and Brian McCue. The band, which is based in

Toronto, has a repertoire which uses percussion instruments only, ranging from the hourglass drums and tom-tom seen here to bass drums, Japanese blocks, castanets, and others. They make their melodies out of rhythms, as they use no melodic instruments.
