

**Cheque presented**

Earlier this month, a cheque for \$1,270 was presented to the Chairman for the Cystic Fibrosis campaign for the Terrace Bay Kinsmen Club, Paul Caron, by the Principal of St. Martin School in Terrace Bay,

Brian Peters, at left. The money was raised by the children and staff at the school and through a draw for a 10-speed bicycle, which Peters said was won by Judy Hackett of Terrace Bay.

**Tumblers end season**

By Sandy Larivee

The Superior Tumblers Gymnastics Club is now winding down as another successful season ends.

Members of the competitive team travelled to meets in Dryden, Thunder Bay, and Geraldton, and hosted a very successful Invitational and Boys Regional Qualifying meet in February in Terrace Bay. Many thanks to all who assisted us in any way.

The Superior Tumblers are extremely proud of Danny O'Keefe of Terrace Bay, who qualified for the Provincial Championships by winning the Novice 'A' Men's category. He also

brought home the gold from the Burlington Boy's meet in April.

Danny travelled to Ottawa earlier this month, where he won five gold medals and a fourth place ribbon and became the Ontario Novice 'A' Men's Champion. Congratulations, Danny!

In April, the team presented a dynamic half-time display during the Schreiber Figure Skating show, as they performed on the ice surface to a very responsive crowd.

The recreational program came to a close on April 30 when gymnasts from one and a half to 17

years of age took home awards in various categories. At this time our head coach, Betty Tate Pineau, announced her resignation. Her presence and involvement will be sadly missed.

Betty urged all parents to become involved so that we can keep this exciting and innovative program alive.

The annual meeting of the Superior Gymnastics Club was held on May 27. Through the summer we will be looking for a head coach, so if you have any ideas, please let us know, and show your support for our Superior Tumblers.
