

Top fundraiser

Grade 6 student Ryan Singleton proved to be the top fundraiser at Terrace Bay Public School's Jump Rope for Heart, which was held recently at the school to

raise money for the Heart Fund. Organizer Warren Morrill congratulated Ryan last month for his remarkable efforts. The school raised over \$4,700.

A meeting of the Royal Canadian Legion Ladies Auxiliary was held May 6 in the Schreiber Legion Hall. President Anne Marie Martin presided with 12 members present.

Shirley O'Reilly read the minutes of the last meeting and Rena Ross gave the financial report. The Penny Auction and Bake Sale held on May 4 was a great success. The Auxiliary

wishes to thank all the Ladies that helped. Also thanks to all who donated.

The Ladies Birthday party was held May 24. A large crowd enjoyed the turkey dinner served by the men of the Branch. Thirty five year pins and twenty five year pins and Jubilee pins were given out and a social evening was held afterwards which was enjoyed by all. A fashion show and tea is being

planned. Anyone interested please phone Anne Marie or Sylvia Aylward.

Mrs. Muriel Shewfelt and Mrs. Dale Harton from Echo Bay are visiting Mrs. Marg Nesbitt. Also, Walter Illijow and Stanly are visiting from Nipigon.

Mr. and Mrs. Edgar Leblanc have returned from visiting their son Bill in Calgary. Our sympathy to Mrs. Maggio and family on the passing away of her husband Rocco.

HS meeting scheduled

The Terrace Bay Horticultural Society held a meeting on Tuesday, May 13, 1986 which was attended by seven people. The winners of the Mother's Day draw for those with memberships bought before Friday, May 9 were: S. Richards, M. Mahoney, C. Opas, S. McQuin, M. Simmer, K. Reimer, T. Korzinski, G. Legacy, E. Boyd, S. Broughton, G. King and N. Legacy. These twelve winners were each given a geranium plant.

Two members of the society attended the District Annual Meeting in Dryden the first weekend of May. Dorothy Dove and Alec Cantley were elected as District Director and Assistant District Director, and Inga Iwachewski was

elected as Secretary.

On June 7 (see advertisement elsewhere in this issue) we are sponsoring a van from Creekside Nursery to come into town with plants, trees and shrubs. Horticultural members are encouraged to pick up their plants between 7:30 a.m. to 9:30 a.m. After this, plants will be sold on a first come, first

serve basis. We would ask you to support us in this fundraising effort.

We are planning all our usual flower beds this year and if anyone would like to volunteer to help, please contact Daphne Monks, 825-9361 (evenings) before June 7. We will also be providing plants to the various churches in town.

Access trouble

continued from page 1
officials. As of June 2, that meeting had not yet been established as there had at that time been no reply from the Ministry.

Reeve Chapman, after the meeting, said the Ministry's upcoming traffic study will show that there

is congestion in the area at regular intervals, but added such congestion is not even the main issue.

"It's the emergency factor, the safety factor we are worried most about," she explained. "What will it take to get them off their butts and do something?"

She also responded to the Times-News article and said Council has been working on the issue for a long time and will continue to do so.

"Don't these people read the News?" she demanded of those who were critical of Council's actions. "Maybe they should come out to a Council meeting and see what we're really doing. We don't mind criticism, but when it is not justified it hurts a little bit."

She added that "it's not just five people trying to pull something because they promised it during the election...this is for the good of the town."

If a public meeting with the MTC is arranged, the date, place, and time will appear in a future issue of the News.

Study on

A study session on the diversification of job sources and single industry towns will be held at the Terrace Bay High School at 7:30 p.m. on June 6, with the President of the Red Lake Chamber of Commerce scheduled to be in attendance.

Bob Axford is also the Vice President of the Canadian Association of Single Industry Towns and a member of the Ministry of Northern Development and Mines Advisory Committee on Resource Development Communities, according to the organizers of the event.

All area residents are encouraged to attend. For more information on the session, call 824-3386.

Card of Thanks

We would like to thank the Terrace Bay Fire Dept. and the Ministry of Natural Resources fire crews for the excellent job they did in fighting the forest fire that threatened our community May 21. Without their combined efforts our home would have been destroyed by the fire.

Bob & Teresa Roberts

THANK YOU

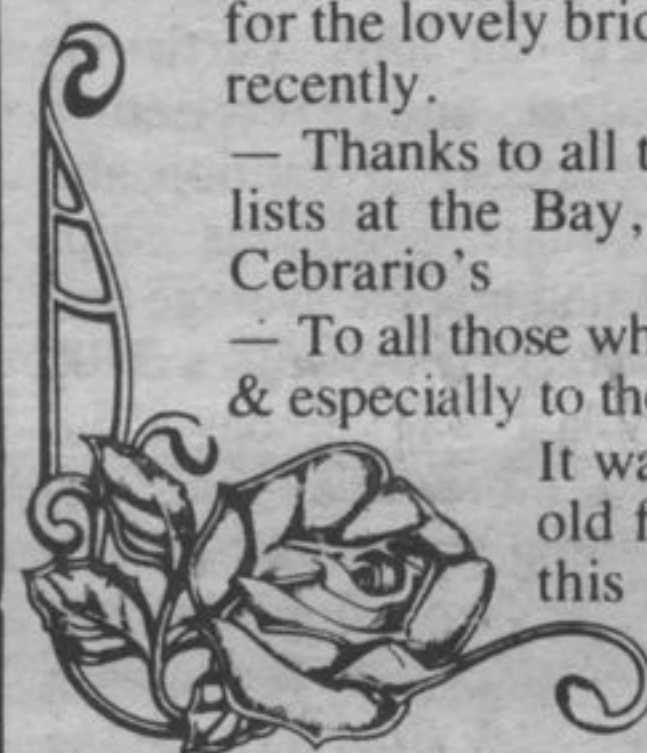

for the lovely bridal shower held in my honour recently.

— Thanks to all those who donated on the gift lists at the Bay, Spadoni Bros. Store & Y. Cebrario's

The family of the late **Adolph King** want to express sincere thanks to our many friends for their support and kindness shown during the loss of our father and grandfather.

We would like to thank the Ladies of Rosspoint who organized and served a lovely lunch in the Community Hall following the service. We would especially like to thank our very dear friends Prina and Eugene Gerow and family who were there with the help and support when it was needed and all the others too numerous to mention. We would also like to take this opportunity to thank Rev. Peter Groulx and to those who prepared the cemetery for burial, to the King Funeral Home, Schreiber, to the active pall bearers, also organist Eva Gordon and the ladies who sang in the choir. Once again our thanks to each and every one. Your thoughtfulness and kindness will always be remembered.

**Peter, Eleanor, Scott
& Debbie King.**
