

**Santa in spring?**

Santa Claus was just one of the many characters the Grade Eight students at Holy Angels School in Schreiber transformed into during Education Week April 24 to 30. The class, taking part in Dress-As-Day, donned all sorts of costumes in the spirit of becoming a cartoon, fictional, or historical character for the day.

**Fishy tale**

Ten-year-old Bobby Spadoni had quite a surprise in store for him at the end of his fishing line during an outing with his uncle and cousin on May 25 in Hydro Bay near Terrace Bay. He caught this 13 pound lake trout, which will be stuffed and mounted as a trophy. Of course, Bobby did need a little help in landing the fish.

# School budget passed

Terrace Bay Separate School supporters will be faced with an increase in their taxes of just over four per cent, while those in Schreiber will get away with an increase of just .40 per cent, according to a recent news release.

The North of Superior District Roman Catholic

School Board set its 1986 budget at a meeting held earlier this month. The total estimated expenditure for the year is just under \$5.5 million, an increase of 9.4 per cent over 1985.

The release noted that the majority of the increase is due to the expanded enrolment in Marathon and

Manitowadge as a result of the Hemlo gold mine development in that area.

Operating grants from the provincial Ministry of Education have increased 11.4 per cent over the 1985 figures and account for almost 80 per cent of the Board's total revenues, the release added.

It also pointed out that separate school mill rates are at least one mill lower than public elementary mill rates, set earlier this year. Manitowadge faces the

largest increase in the Board's area of jurisdiction with a 9.93 per cent hike. Nakina has the next highest increase at 5.96 per cent, with Nipigon at 3.39, Marathon at .20 and no change for Red Rock.

The Board operates English language elementary schools in Schreiber, Nakina, Terrace Bay, Manitowadge, Marathon, Nipigon and Red Rock, and French language schools in Terrace Bay, Nakina, Manitowadge and Marathon.

## Letters to the Editor

Dear Editor:

I wonder how many other people there are around who do the same thing I do. We get our auto insurance papers in the mail, first mail them a cheque, shove the new card in our wallet and put the new policy away with the other important papers.

So I quickly go on the phone to Thunder Bay to our insurance company to report the error they had made and am very fortunate that I did. The lady there told me that the last six numbers must be correct. In other words, had we been involved in an accident we probably wouldn't have been covered.

I have never before checked out the vehicle identification number on the insurance card to make sure it corresponds with the one on our ownership card. Well, today I just happened to check it out and discovered that one of the last numbers was incorrect.

## HOC formed: Reeve

Ollie Chapman, Reeve of Terrace Bay, said the formation of the Heads of Council Committee of which she is a founding member was a "good, positive move" which will help to bring the people of the area together.

The Committee, which had its first face-to-face meeting on June 3 in Nipigon following a series of long distance conference calls, will meet again on June 21 in Schreiber, she explained.

"Our common concern is Kimberly-Clark and what is going to happen there," Reeve Chapman added.

There will be a few more meetings before the Committee decides to hold any public sessions.

Along with Chapman in the new group are the Reeves from Geraldton, Schreiber, Nakina, and Longlac, as well as the Chief of the Long Lake Indian Band 77.

Do you know a young person who went that extra mile?

The search is on for Ontario Junior Citizens of the Year.

Do you know someone in your community, between the ages of 6 and 18 years, who has gone that extra mile? Someone who has shown selfless service, resourcefulness, ingenuity, or acts of courage — that "good kid"? Someone special that you think should be recognized?

You can help Canadian Pacific Air Lines and the Ontario Community Newspapers Association honour these kids by nominating them for an Ontario Junior Citizen of the Year Award.

Contact your local community newspaper. Spring deadline for individual and group nominations is June 30th, 1986. Ontario Junior Citizens of the Year recipients will receive a plaque, a cash prize, a family photo portrait with the Lieutenant-Governor of Ontario, and a lapel pin.

Contact our Junior Citizens' Co-ordinator Conrad Felber for complete details.
