

DAG meeting held

Linda Cairns, representing the March of Dimes Foundation in Thunder Bay, recently spoke to those attending the regular meeting of the Disability Action Group held at the McCausland Hospital in Terrace Bay.

Linda, who replaces Marion Wall, listed the many services offered by the March of Dimes and offered to assist this young organization in any way possible.

She also distributed brochures from the Disabled Drivers of Ontario, which listed where to get hand controls installed, driver education, and so forth.

One pertinent question to the group was concerning funding on such aids as wheelchairs. This, of course, was based on needs according to income, but partial help was available and assistance in obtaining further help from other organizations as well.

During the course of the meeting, Linda further offered many suggestions based on experiences with a Disabled Sports Group in

Thunder Bay. President Rod Thompson thanked Linda for her trip to Terrace Bay and her assistance.

Reports from the various committees included one from Treasurer Ann Mercure stating she had received a donation from the Ladies Auxiliary to the Royal Canadian Legion, Branch 223 in Terrace Bay.

Rod reported a very poor turnout for the visit from the Comfort Clothing, and hoped it would improve with the next time they come. Their display had been excellent and very worthwhile for those in need of them. Elizabeth McLean and Ann Mercure had been in contact with Joann LeBlanc in regard to the Card Party, and final arrangements were made to assist.

Transportation for several wishing to come to meetings from Schreiber was discussed and rides were offered.

Debbie Stewart will come to the June 19 meeting of DAG to address the group on the legal

aspects of this organization. With this in mind, it was decided to order membership cards and wait until the fall for a formal membership drive, and considerations of the benefits of incorporation during this interval.

Rod presented a set of By-Laws compiled by Shirley Mikus for consideration. Jack Patterson made a motion to wait until next year to put a float in the Canada Day celebrations parade.

Jack and Rod reported on the Pioneer Days to be held in Neys Park on August 16 and 17. A description followed on the improvement at Neys Park now installed with ramps, new facilities and even a cement walk and rail to the beach.

Blur of motion

This ride at the Midway held in Terrace Bay on July 11 and 12 is just a blur of motion in this quarter-of-a-second exposure. The event was sponsored by the

town's Kinsmen Club and held by Maple Leaf Amusements of Winnipeg, Manitoba. Although the weather was not the best, a good time was had by all.

Tourney set

At least two top national ladies curling teams will participate in the Terrace Bay Curling Club's first annual Huggies Cash Spiel for ladies later this year.

The tournament, which will be sponsored by the manufacturer of Huggies, Kimberly-Clark of Canada, will have \$8,200 available in total prize money and a 24 rink limit, making it the first of its size in northwestern Ontario, a Club news release noted.

All 300 club members and various other sponsors besides Kimberly-Clark worked together to make the event a reality. It will be held on November 27 or 29 in Terrace Bay.

Barbara Spadoni, one of the spiel's organizers,

pointed out in the release that there will be a total of 10 cash prizes, with the first prize to be \$3,000. The entry fee will be \$250 per team.

The Colleen Jones 1982 Canadian Ladies Champion rink and the Pam Leavitt 1986 Ontario Ladies Runner-Up team have both agreed to attend the Terrace Bay tourney.

"We look forward to the high calibre of curling these ladies will bring to the Huggies," the release added.

For more information or to send in an entry, contact the Curling Club care of Barb Spadoni at 824-2761 or write to her at P.O. Box 54, Schreiber, Ontario, POT 2S0.
