

## Bits and Bites

By Helene Ballard

Hi! Seems a bit frosty these mornings, but when the sun is bright in the sky it's really not so bad.

Here at Birchwood Terrace, we had a nice surprise on September 10. Our cook Leon and Peggy Regis made a presentation to the residents of two comfy rocking chairs, a bridge table and chairs, and two thermos jugs for our outdoor picnics, purchased with the money won in a recent Terrace Bay Moose draw.

We are most grateful to these generous people in thinking of our comfort. The merchandise will be

put to good use.

It looks like our fall activities have started. Last Thursday, our ladies auxiliary to Birchwood held their first fall meeting in Schreiber at the United Church. Plans were made for different events for our benefit.

These hard-working ladies work really hard for us. After all, this is all volunteer work which takes time, and the ladies go out of their way to make our so-called "golden years" more enjoyable.

They have grave concerns for our comfort and well-being. I don't know what we would do without their work. Our heartfelt thanks to you ladies and

may God bless you all in your worthwhile work.

We have had some response to my call for egg cartons, and I wish to thank you. We sure have lots of friends out there.

Our weekly bridge game will start early in October. I hope to have the exact date next week for you, so all our card playing friends can come in for an afternoon of enjoyment for our residents.

Our friend Blanche Speck is back at the McCausland Hospital, and feeling and looking well. We all hope to have her back at Birchwood.

Guess I better sign off for now. Here is a wee joke for today:

The lady of the house's grocer is something of a

wag: "Good morning, Mrs. Gray," he said as she came into the shop. "Why did Adam and Eve have an ideal marriage?" The lady of the house smiled back, confused. She had no idea.

"Because," said the grocer with a twinkle in his eye. "He didn't have to listen to her stories about all the men she could have married and she didn't have to listen to him about his mother's cooking!"

So long until next time.

## Concert series reduced

By Pat Almost

The Terrace Bay/Schreiber Concert Series Committee will unfortunately not be able to present a complete program of concerts for the 1986/87 season.

A meeting was held on September 11. We were not able to gather enough support to fill committee vacancies. As a result, we have elected to proceed with an ad hoc committee.

Although we will be unable to present the series of Youth and Music concerts, we will endeavour to organize some perform-

ances of general interest during this coming season.

The Fort William Male Choir, who presented an extremely successful concert here last spring, has already indicated that they will be performing for us

again this year.

The committee would like to thank all of the people who purchased 1986/87 advance tickets for their support. Refunds will be mailed to you. Please don't lose your enthusiasm for the series. We need all of your support for the shortened series and for our start

up next season.

The committee would like to thank all of the supporters of the concert series and wish all of those who are leaving our communities the best of luck in the future.
