A \$200 draw was held by the local Moose chapter at its recent Fish Derby, and the winner of that draw turned out to be Birchwood Terrace cook Leandre Theriault, who decided to use the money to buy needed merchandise for the senior citizens' home in Ter-

race Bay. Peggy Regis, also shown above, originally sold the ticket to Theriault and contributed her \$50 seller's bonus. Two rocking chairs, seen behind Regis and Theriault, were purchased, along with a card table, some folding chairs, and two picnic juice jugs.

Council supports lottery funds

Terrace Bay Township Council passed a motion at its Sept. 8 meeting expressing its concern about a proposed change to lottery legislation in Ontario which may deplete funds for recreation in the province.

Council was asked to support the motion by the Association of Municipalities of Ontario in a letter read at the meeting.

"Wintario has been for recreation funding, and they (AMO) are worried about it," Reeve Ollie Chapman explained. Under the proposed change, lottery funding would become discretionary, rather than directed at any one specific area.

Reeve Chapman warned that if the proposal becomes law, it might mean an end to things like the \$60,000 che-

que the Township re-ceived earlier this month to help pay for the new heating system at the Recreation Centre.

"Recreation people are going to be very upset about this," Reeve Chapman said. Terrace Bay Rec-reation Co-ordinator Terry Bryson was later quoted as saying such a change in the law would be a "dis-aster" for recreation programs.

The motion, which was moved by Reeve Chapman and passed unanimously, also called for the government to hold public meetings before any changes in the lottery legislation are implemented.

The recent lay-offs of 255 permanent and 100 temporary Kimberly-Clark employees in the area indirectly caused Council to pass a motion which, in effect, cancels the annual Township Christmas party for this year.

"We've discussed this quite thoroughly," Reeve Chapman told Council before the vote was taken. However, the motion only barely passed anyway, by a 3 to 2 vote.

Later in the meeting, Council agreed to call for tenders regarding a police car for the town.

Councillor Chris Joubert announced that his third son was born on Sept. 7 in Terrace Bay. His wife Judy gave birth to Todd, who weighed in at

eight pounds, four and a half ounces. Cigars were passed out to celebrate the event.
