

### Flag presented

A Canadian flag was presented on Sept. 30 to Terrace Bay Legion Auxiliary President Adelaide Beaulieu, at left, and Sergeant-At-Arms Doris Marcella, centre, by Clarence Mercier, Sergeant-At-Arms for the Legion

branch. The presentation, a first for the local Legion, was made in memory of Mercier's late wife Joyce, who had served on the Auxiliary Executive and was an active member, according to President Beaulieu.

## Clinic scheduled

The Thunder Bay Amateur Hockey Association has scheduled a NCCP Level III Coaching Clinic for three days this month.

A news release from the TBAHA's Dan Moro noted that the clinic is to be held at Lakehead University. Pre-registration is at the TBHA office with Oct. 13 as the deadline. The phone number at the office is 622-4792. If you have any questions, ask for the Development Co-ordinator at the same number.

The clinic will be held on Oct. 24 from 6 p.m. to 10 p.m., Oct. 25 from 9 a.m. to 10 p.m., and Oct. 26 from 9 a.m. to 5 p.m., the release added.

To participate in the Regional Level III, a coach must successfully complete Level II, be 16 years of age or over, and have coached a hockey team for one year after having been certified as a Level II coach. Level III is designed for the experienced coach who wants to study hockey in a more detailed way.

The topics to be covered at the clinic include communication, the role of the coach, sports psychology, rules, defensive and offensive hockey systems, goaltending, drugs in sports, sports administration, and many other topics.
