## 40-year pin

Jean Santerre, at far left, was one of only three employees of Kimberly-Clark's Terrace Bay pulp mill to receive a 40-year pin at the K-C Quarter Century Club annual dinner held on Oct. 3. Also

in attendance was Margaret Santerre, at far right. K-C of Canada President Jack Lavallet and his wife Martha, centre, were on hand to present the pin and a soapstone sculpture.

## From the Schreiber Recreation Office

Left-handed and tired of being forgotten? Are you left-handed? Have you missed out because of it? If so, then here's your chance to get even.

The Schreiber Parks and Recreation Department will be offering left-handed instruction courses for the following arts and crafts: knitting, crocheting, and macrame.

If there are other courses or programs that require left-handed instructions that you may be interested in, contact the Recreation Office at 824-2317. We will do our best to see that you are not forgotten.

The Recreation Department will also offer the following courses when sufficient interest has been received: aerobics, paper tole, rice paper lamp-

shades, macrame, knitting, crocheting, microwave cooking, and basic sewing.

To register, simply call the Rec Office in Schreiber at 824-2317 and leave your name and telephone number. You will be contacted by the office before final arrangements are made as to time, day(s), and fees for the program.

The Recreation Department is interested in hearing from anyone that may have a skill or unique craft that they may wish to share with others. We don't know you are there if you don't let us hear from you.

We are still accepting registrations for a number of courses being offered through Confederation College. For more information or for a copy of the brochure, please contact the office.
