

# Bits and Bites

By Helene Ballard

It's time again for another bit of news. I hope you are all feeling OK. By the looks of the weather, it's starting to feel like winter. Oh well, we know it has to come, so I guess we should "grin and bear it."

Our senior bowlers did well this week, and we are proud of Thelma Christianson, who had a score of 354, and Werner Ziegler with a score of 476. Well done.

On Oct. 16 we had our monthly birthday party for our residents at Birchwood Terrace. The Birthday Kids this month were Blanche Speck, Susan Gaulin, Thelma Christianson, and Joseph Eyschen. We wish them all a very happy birthday.

On behalf of the residents, I would

like to thank the ladies from the Anglican Church in Schreiber who were the hostesses for the party. After the usual cake and coffee, the residents enjoyed a few games of bingo. Thank you, ladies, for your kindness.

One of our residents, Werner Ziegler, received a plaque last week for walking his 1,000 miles in the Let's Get Active program. Werner loves to walk and does so daily. Even when it's cold, he does not mind the weather because he enjoys walking.

So, Werner, congratulations and keep it up. This is a good example to folks on how to keep fit.

Until we get into the swing of Christmas activities, there's not too much news. At least we can concentrate on sports, like the World Series.

So until next time, keep your powder dry. Cheerio.

# Council changes

**Submitted by Terrace Bay Council**  
Terrace Bay Township Councillors will have new responsibilities starting on Oct. 14.

Under the terms of a new by-law, standing committees of Council have been established which are designed to take much of the detail work out of the hands of the whole Council.

Each standing committee consists of two members of Council and the Reeve, who sits as a member of all committees. Membership on committees is assigned by the Reeve, who designates each Councillor to chair one committee and to sit as a member of another.

Standing committees will meet regularly to consider questions under their jurisdiction, and will then make recommendations to the whole Council in the form of a report.

This should mean less time spent at Council meetings, and more efficient use of the individual Councillors' time and talents.

The standing committee system is also designed to complement a newly-adopted approach to budgeting, which Council hopes will speed up this annual process considerably.

The new committees are structured as follows:

**Administration and Finance:**  
Councillor C. Joubert, Chairman  
Councillor J. Ziegler, Member

**Protective Services:**  
Councillor P. Romanuk, Chairman  
Councillor C. Joubert, Member

**Public Works Committee:**  
Councillor G. Ramsay, Chairman  
Councillor P. Romanuk, Member

**Recreation, Cultural, Social Services:**  
Councillor J. Ziegler, Chairman  
Councillor G. Ramsay, Member

The municipality's function as a Hydro Utility will continue to be handled as a Committee of the Whole Council, with the Reeve as Chairman.

Reeve Ollie Chapman and Council Clerk-Treasurer Larry Simons

# Arena programs in place

**Submitted by the Terrace Bay Recreation Department**

The programs scheduled for the Terrace Bay Arena are now all in progress. Public skating times for the upcoming week will be included at the end of this article.

## Squash Lessons

Gerry Mikalauskas will be conducting a class for squash lessons in the courts on Thursday evenings from 7 p.m. to 9 p.m. As a result we will be unable for the next four weeks to take in either the racquetball or squash courts from 6:45 p.m. to 9 p.m. Our apologies to those individuals who may wish to book the courts during these times.

## Miler's - Let's Get Active Club

The Terrace Bay Recreation Committee would like to say congratulations to Werner Ziegler for accomplishing 1,000 miles in the Recreation Centre's "Let's Get Active" program.

For newcomers to the community, here is a bit of information about the program. The Miler's Club was originally created in the summer of 1983 to keep the participant involved all-year round in some type of activity.

You can walk, job, bike at your leisure, but you must keep track of the number of miles you accumulate. Call the Recreation Office on Fridays to inform us of how many miles you have totalled for that week.

## Let's Hear From You

It is nearing the time for the Rec Department to start rescheduling the winter and spring program. We need your help! If you wish a certain program to take place, or are a capable instructor, give us a call at 825-3542.

We would like to know, for example, if there is any interest for a weaving program. The Weavers Guild is interested if anybody would like to learn weaving. Contact the Rec Office and leave your name and number.

## Public Skating Times (Oct. 22-29)

Saturday, Oct. 25: 3 p.m. to 5 p.m. and 7 p.m. to 8 p.m.

Sunday, Oct. 26: 2 p.m. to 4 p.m.

Monday, Oct. 27: 1 p.m. to 2 p.m.

Tuesday, Oct. 28: 11 a.m. to 12 noon and 1 p.m. to 2 p.m.

Wednesday, Oct. 29: 1 p.m. to 2 p.m. and 7:30 p.m. to 8:30 p.m.

## Minor Hockey Referee Clinic

There will be a minor hockey referee clinic held on the weekend of Oct. 25 and 26. There is always a need for parents to come forward and volunteer their time to assist the executive of the Terrace Bay Minor Hockey Association.

Let's hear from you by having you call the Recreation Office at 825-3542 to volunteer your assistance and become a referee. Times will be made known in the next issue of the Terrace Bay-Schreiber News.

# Ramp to be built

An access ramp for handicapped individuals is to be built at the Town Hall in Schreiber at an estimated cost of \$3,000.

At its regular meeting on Oct. 14, Schreiber Township Council passed a resolution which authorized the expenditure. Work on the ramp is to begin soon, according to the minutes for the meeting as prepared by clerk-treasurer Aurel Gauthier.

Council also decided to transfer \$34,000 from its reserve funds to offset the cost of the outside brickwork at the new Schreiber Fire Hall. Fire Chief Peter Doig explained that the brickwork at the fire station is now about 75 per cent complete.

Additional information regarding enforcement of the township's property standards by-law is to be obtained from the municipality's solicitor. Clean-up orders have been sent out to those breaking the by-law.

In other Council matters, Gauthier said he would look into the details of granting a license of occupation to the municipality by the Ministry of Nat-

ural Resources, after Council was requested by the Schreiber Kinsmen Club to assume responsibility for Sand Lake Beach.

A letter from the Liquor Licence Board of Ontario was read at the meeting. The letter informed Council about an application by the Schreiber Curling Club for a Club Lounge Licence. The consensus reached at the meeting was that there was no objection to the granting of such a licence.

Gauthier was instructed to arrange a date for a meeting with the Ministry of the Environment. A letter from the Ministry requested a meeting to discuss budget items at the Schreiber Water Treatment Plant and Sewage Treatment Plant.

Council agreed to sell Lot 32 on Winnipeg Street to Tom Beckett and Ken McKenzie for the total sum of \$5,000.

Present at the meeting were Township Councillors Tom Quinton, Gerry Godin, Bob Krause, Ed Borutski, and Reeve Mike Cosgrove.

## ASTAR® is capturing the attention of children!

The War Amputations of Canada's friendly robot from planet DANGER appears on television with a warning for youngsters: "Yours is a dangerous world, so PLAYSAFE."

Josee, a member of the Child Amputee (CHAMP) Program, is one good reason why The War Amps must reach the very young with the PLAYSAFE message. A month before Josee's fourth birthday, the blades of a lawn mower severed her left leg.

ASTAR appeals to children who are too young to know the consequences of playing in dangerous places.

Josee joins ASTAR as a "safety ambassador" to warn all children to PLAYSAFE.
