

There's still time for extension course

The Schreiber Recreation Department is still accepting registrations for the 12 post secondary courses and the six non-post secondary courses being offered through Confederation College.

These courses will be held in Schreiber if enough interest is shown. Pamphlets are available at the the Recreation Office in Schreiber. If you are interested in any of these courses,

please contact the Rec Office.

General Interest Courses

The Rec Department is offering instruction in such general interest courses as the following: sewing, cake decorating, crocheting, and knitting, plus arts and crafts programs such as paper tole and paper rice lampshades.

We are now in a position to offer a number of these courses for those

of us who are lefthanded. If you are interested in any of these programs, or have ideas for any others, please contact the Rec Office in Schreiber.

Instructors Needed

We are in need of qualified instructors in aerobics, Learn to Skate, and other courses. If you are qualified in any of these or in other areas that people might be interested in, please let us know.

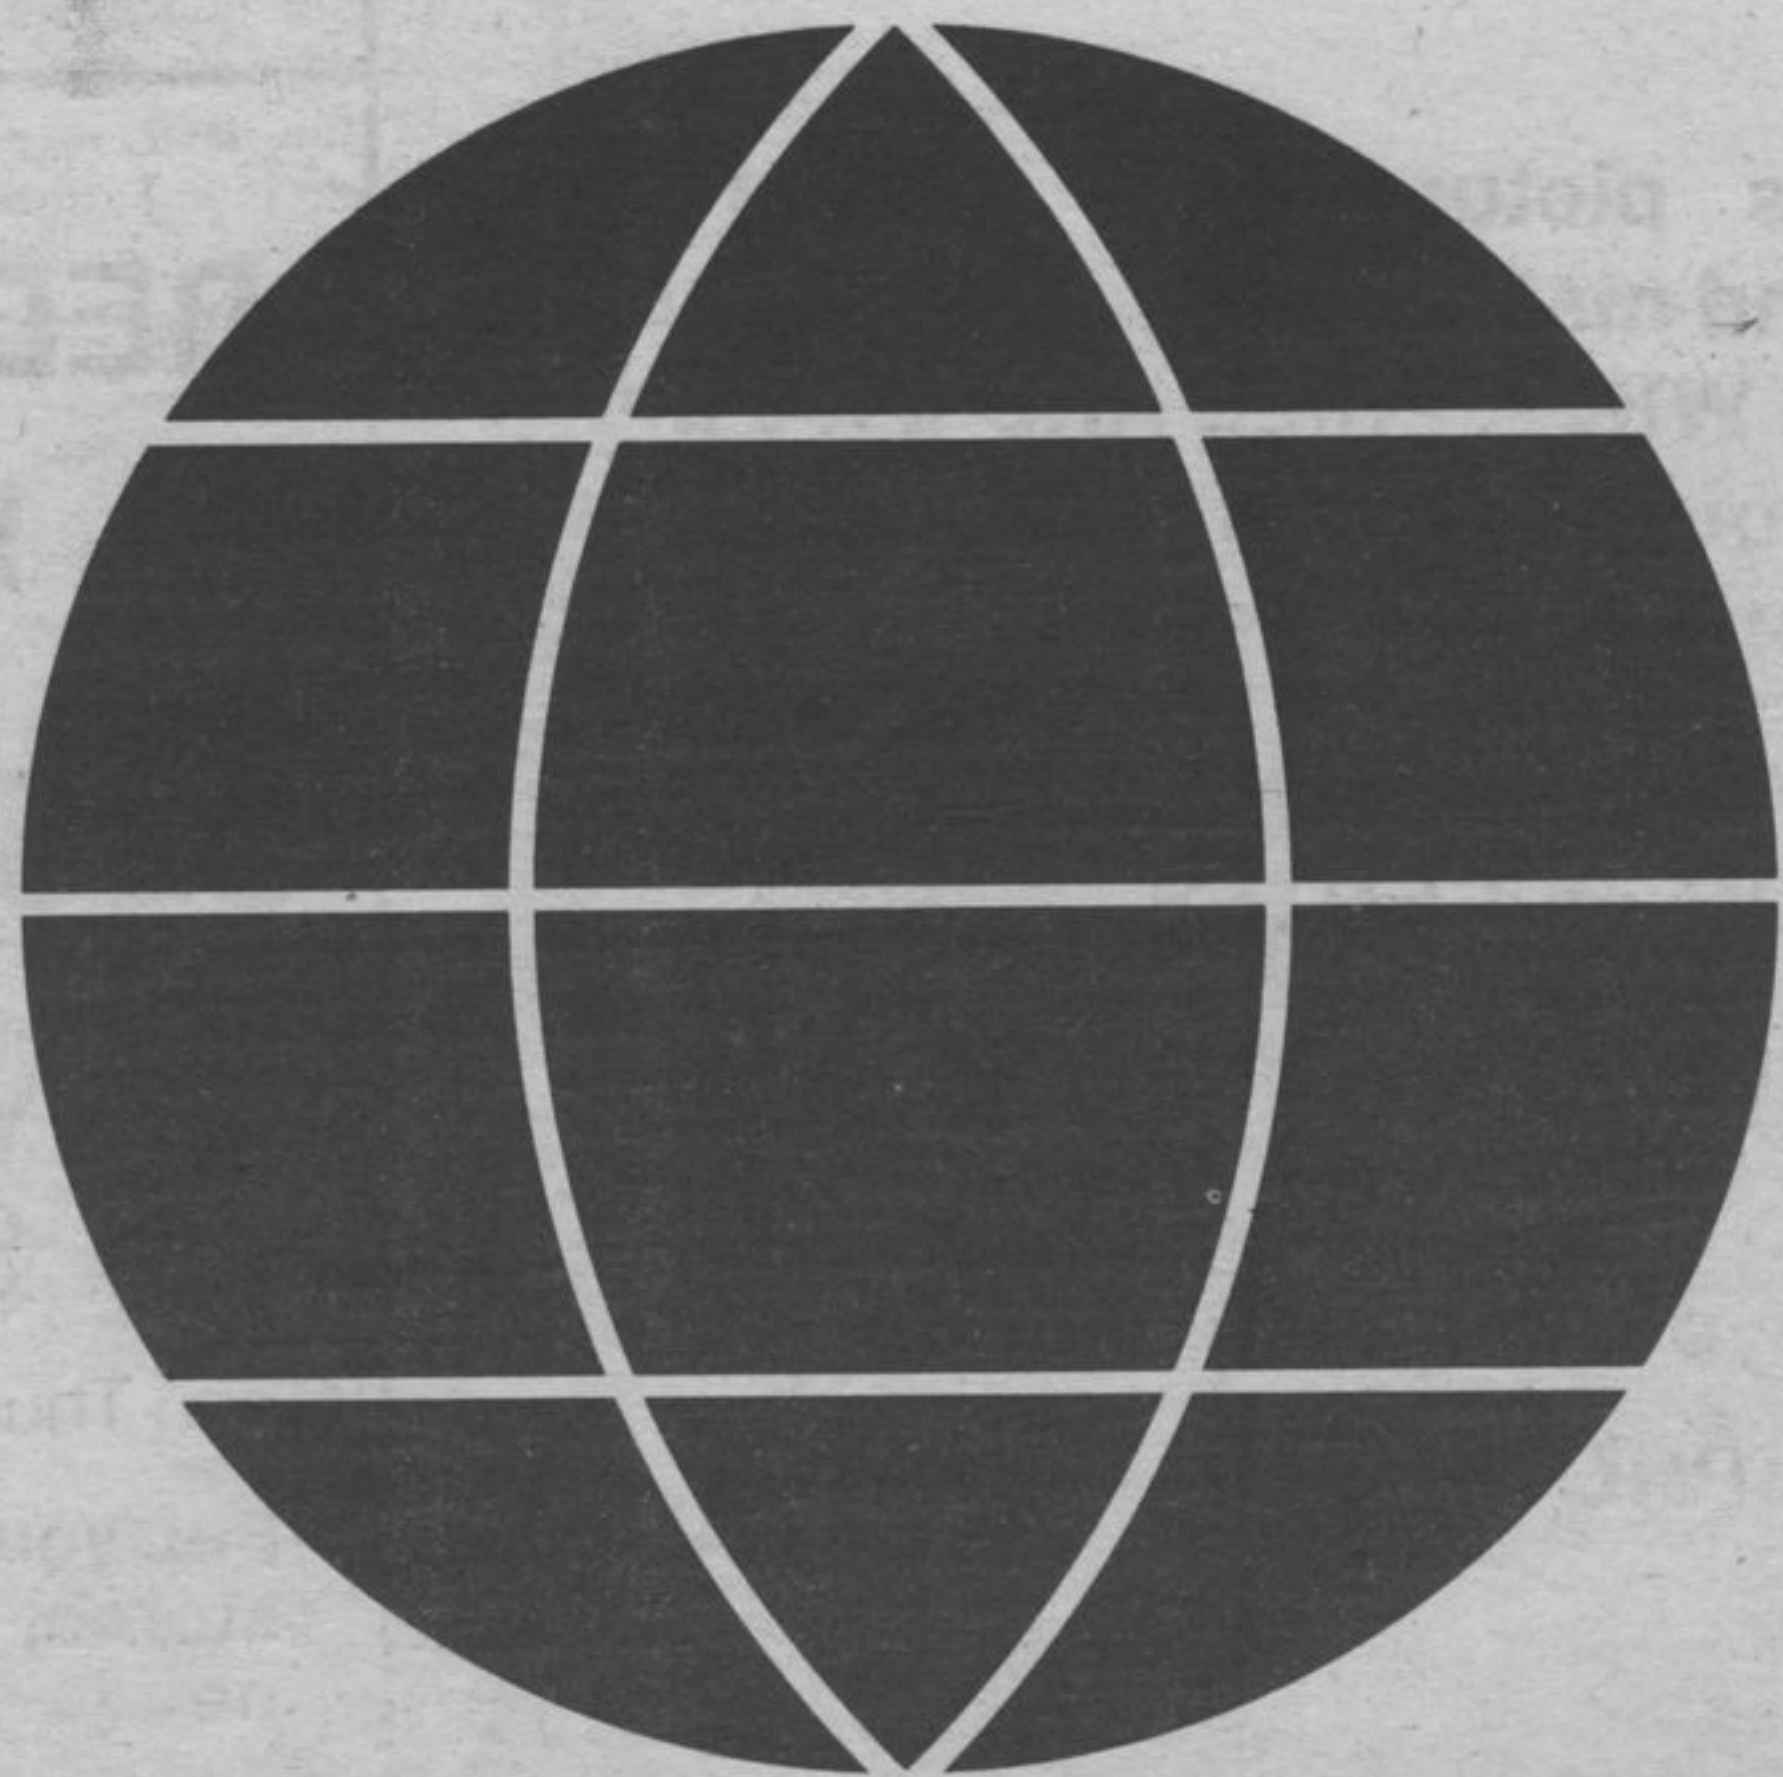

We are always in search of new programs and ideas. Call us at 824-2317. If we do not get the interest now, we will keep your name and course on file and offer your program again at a later date.
