

## Create gingerbread masterpieces for Christmas

At this time of year home bakers almost instinctively think of gingerbread houses and shortbread cookies. But there are many more ways to use these festive doughs — both now and all through the year.

With this in mind, Robin Hood Multifoods has just published **The Great Gingerbread**

**Adventure, Plus Creative Shortbread Ideas** — a delightful collection of tantalizing easy-to-make gingerbread and shortbread recipes using premeasured mixes.

The book contains instructions for all kinds of creative projects — a 3-dimensional Christmas tree centrepiece, a

tiny sleigh pulled by 2 miniature reindeer, and of course a traditional gingerbread house. There are also special festive cookies and lots of other treats just right for gift giving or even for hanging on your own Christmas tree! Creative shortbread ideas include assorted fruit and nut bars and squares, fancy cookies and such yummy desserts as a Fruit Glazed Flan or Coconut Jam Tarts.

The instructions in this book are set out in a simple, step-by-step manner making it an ideal reference for turning a festive baking session into a family affair. Children as well as adults will find it an easy guide to follow and an inspiration for their own creative baking ideas.

Gingerbread and shortbread

should not be relegated just to Christmas time. **The Great Gingerbread Adventure** also tells you how to make a giant Valentine heart, a Mouse House or a Gift Cookie Box — ideal for Christmas but also as a special treat for birthdays and other special occasions.

To speed up delivery the Robin Hood General Store is accepting phone orders for the \$5.95 cookbook. The toll-free hot-line number across Canada is 1-800-268-3232 except in British Columbia where it is 112-800-268-3232.

Orders may be placed using Visa, Master Card or American Express accounts or send a cheque or money order for \$5.95 to Robin Hood Multifoods, **Gingerbread Adventure**, P.O. Box 4000, Station A, Willowdale, Ont. M2N 5T5. Orders placed by mail should allow 4 weeks for delivery.

These delightful gingerbread table decorations — a standing Christmas Tree, Santa's Sleigh, Mouse House and assorted cookies — are all from **The Great Gingerbread Adventure**, a new cookbook from Robin Hood Multifoods featuring creative ideas using premeasured gingerbread and shortbread mixes.

# A Neglected Furnace Can Be Dangerous.

The best way to ensure that your furnace is safe is to have it checked periodically by a registered heating contractor. A quick check can reveal small problems, before they become large problems.

A blocked chimney or faulty furnace can cause serious health problems and even death by allowing carbon monoxide gas to spill into your home. Also, if there isn't sufficient household air for proper furnace combustion, exhaust gases may be prevented from rising up the chimney, and leak back into your home.

This can occur when the fireplace, kitchen fan or other air exhausting appliances are operated in a home.

If you're a homeowner, it's your responsibility to see that your furnace is properly maintained. A safe furnace makes your home a healthier place to be.

For more information, contact your natural gas, oil, or propane supplier. Or, phone a registered heating contractor near you.
