associated with Christmas.

Children should rejoice to learn of the Saviour's birth.

Does it dishonor Christ to remember the Only begotten of God at Christmas? Someone says Christmas came from heathen sources.

Maybe some do have a heathen kind of celebration, but we do not have to be like the heathen.

There is a complete ad for all Winter and Spring programs listed in last week's issue. For more information on any of these courses, please contact the Recreation Centre office at 3542.

More complete information will be presented in future issues of the Terrace Bay-Schreiber News.

We can celebrate Christmas in a way that will honor God. The Bible has much to say about this wonderful event.

It is good for us to remember this wonderful birth as recorded in the Bible for our information and edification.

Let us have a wonderful Christ-centred Christmas.

Pastor Jim Johnson, Grace Baptist Church.
