Come out and take part in the Sibley Ski Tour

(Submitted by Anne Wilkes)

Sibley Ski Tour

Cross-country skiers of all ages have been enthusiastically whizzing along the Nordic trails between Terrace Bay and Schreiber.

More than ever before, people are enjoying the fresh air and fun of cross-country skiing.

Now with fresh snow on the ground and our skis waxed and ready, we eagerly await the annual Sibley Ski Tour.

The Sibley Ski Tour is an exciting, well-organized race that takes skiers through beautiful Sibley Provincial Park near Thunder Bay.

The event begins at Pass Lake at 9 a.m. on Saturday, March 7, and ends at Rita Lake (with bus service provided for the weary skiers).

The 50 km event is the only distance categorized as a race with prizes awarded to top finishers.

The 10, 20 and 40 km events are not competitive, but are equally

challenging.

For most of us, reaching the flags at the finish line is reward enough!

This year a new family 10K Fun Ski has been added to commemorate the Tour's 10th Anniversary.

Last year the North Shore Nerds from Terrace Bay and Schreiber won the out-of-town Visitors' Trophy for the most kilometres skied. (The year before

we lost to a team from Minnesota by only 20 km).

At this point we have tremendous participation from people who are entering for the first time and it would seem likely that we will return this year with the Visitors' Trophy again.

Come and join the fun and the challenge- everyone is welcome!

If you wish to enter or would like more information, call D'Arcy Furlonger in Schreiber or Keith Wilkes in Terrace Bay.

Entry forms are available in the Recreation office in Schreiber and Terrace Bay.

Deadline for entering is March 6- see you there!

(The following was submitted by Nicolette Kaszor, public relations for the 1987 Sibley Ski Tour).

The important thing to remember is that you don't have to be a competitive skier to enter the Sibley Ski Tour.

One of our goals is to increase participation in the sport, and to foster a feeling of comradery among our skiers.

Most of our skiers are recreational, who just come out for a great day of skiing. Those who like a more competitive flavour can enter the 50 km event, the only race of the four distances.

Last year, 700 people registered for the event, making it the largest cross-country ski event in Northwestern Ontario, and one of the largest sporting events period.

The age range of participants is from 6 to 75. Skiers are attracted from throughout Ontario, Manitoba, Saskatchewan and Alberta, as well as from the United States (Minnesota, Michigan and Wisconsin).

Terrace Bay and area were well represented in last year's tour.

Each skier is presented with a souvenir pin upon completion of their chosen distance.

Winnie's Scribbles

The St. Andrew's United Church Women met for their regular meeting on Wednesday evening with Mrs. Margaret Smith, president, presiding.

Ruth Hiller acted as secretary in the absence of Marlene Doig. Gwen Hadley gave the treasurer's report and also led in the Devotional period.

Correspondence included the program of the First National Gathering and Celebration for the

Women of the United Church, to be held at the University of Waterloo on July 18-21, 1987 (celebrating their 25th Anniversary).

Notification of the upcoming Winter Carnival was read.

Thank-you notes were read for cards received.

Myrtle Gordon gave the Card Secretary's report of cards sent out during the month of January.

The president then introduced

the guest speaker of the evening- Mrs. Kathy Smith, local director of the Community Development Program of the North of Superior Community Mental Health Program.

The members were invited to take part in the presentation by Mrs. Smith.

By all accounts it was a very enjoyable evening. The president thanked Mrs. Smith and presented her with a gift on behalf of the group.
