

Winnie's Scribbles

By Winnie Campbell

On Wednesday, March 11, 1987, Lorraine Weaver retired from CP Rail after 30 years of dedicated employment.

At 3 p.m. on that day, her family, friends and office staff met in the conference room for coffee and cake.

Presentations were given to her on behalf of CP Rail employees. Also at that time, she received telegrams from previous bosses whom she had worked for and became close friends.

Lorraine was taken to Supertest for a Chinese supper by her family where presentations again took

place.

A beautiful poem outlining Lorraine's life from when she was a child until present was read by her daughter Billie (included in this issue).

From the supper, they went on

to the Legion Hall for a social evening which was attended by her close friends, family and fellow co-workers. In the latter part of the evening, presentations were made along with many nice gifts and words of fond memories.

The highlights of Lorraine's retirement was the surprise arrival of her sister Doreen from Angus, Ontario, and a long-time friend Tom Burke from Ottawa.

THANK YOU

No words can express my gratitude for the wonderful day planned for me on the occasion of my retirement from CP Rail on March 11th. My sincere thanks to Officers and Staff and those who worked so hard for my reception in the Conference Room; to all who attended, for the lovely flowers, the beautiful gifts and the very generous list.

To my wonderful family who worked so hard and planned everything so perfect from supper, to the part after and for my beautiful gold chain and bracelet to brother Barry for being M.C. and sister Dode for coming so far to make my day. Thanks to lifelong friends Tom Bourke from Ottawa and to Tom and Shirley Bagdon from White River.

Thanks to all who attended my party, for the gifts, money tree and the lovely lunch. Special thanks to Yvon and Darren Parise for the music and to all those who helped in any way for making this day one I will always remember
