

Terrace Bay Recreation Department News

Terrace Bay replies to Schreiber concerning the upcoming Fun Run-something about not having to solicit tourists. Read on!

Minor Ball Registration

Registration forms for the 1987 Minor Ball Season have been distributed through the schools. We urge all those interested in playing Minor Ball to register as soon as possible. **The deadline is May 11.**

Leagues will operate only if there is sufficient registration. Schedules will be made up immediately after the deadline. The season will commence on Monday, June 1, until Friday, July 31.

All participants must be current members of the Terrace Bay Recreation Association.

Parents, we need your assistance once again as coaches and umpires. Give us a call at 3542 or drop by the office for a chat.

Playground Parks Equipment

The parks on Lakeview, Fort Gary, Southridge, Ridgewood, Eastgrove, Poplar and the Pool areas have now been made available for use once again.

We urge all parents if they notice any defective equipment to please contact the recreation department immediately.

Warning: In the upcoming weeks some of the equipment will be painted by the recreation staff. We would like all parents to be aware this is taking place and not to let their children play there until the paint is dry.

Fun Run News

The Terrace Bay Recreation Department and committee wish to inform our compatriots in the nearby township that it is not necessary

for Terrace Bay to solicit Fun Run Participants from tourists passing through our area.

The good citizens of Terrace Bay will be out this year in full force to prove they can capture the banners from the two-time champs next door.

Boardsailing
