

# School '87 Science Fair

Terrace Bay Public School Science Fair project

Fun Run

Above is staff of the Schreiber Recreation Department shown gearing up for this summer's Fun Run to be held on May 25.

## Council

continued from page 1

### Wendy Crawford

Council agreed to purchase a copy of "Superior: The Haunted Shore" for a presentation to Miss Wendy Crawford in recognition of her contribution to Police Week and as a memento of her visit to Terrace Bay.

Miss Wendy Crawford is a former model who is now in a wheelchair following an accident involving a drinking driver.

Miss Crawford does a lot of touring with her message "Make sure it isn't you".

She will be in Terrace Bay on May 12 at 2:30 p.m. at the Terrace Bay High School. At 7:30 p.m. there will be a public session at the Terrace Bay Curling Club. Everyone is welcome.

### Briefs

Council supported and endorsed the recommendation of the Sudbury and District Chamber of Commerce in regard to the creation of a four-lane highway from Waubashene to the Manitoba border.

The resolution was passed in regards to the recommendation of the Ontario Good Roads Association to the Ministry of Transportation and Communications requesting additional funding to be allocated for municipal roads.

## FREEDOM FROM FEAR

One in 10 women in Canada is beaten by her partner in their home.

Transition Houses and Family Resource Centres in Thunder Bay District are there to help you. For information or emergency shelter call:
