

Gr. 5/6 class at St. Martin graduates from VIP course

By Ken Lusk

The Gr. 5/6 class of St. Martin School graduated from their VIP program (Values, Influences and Peers) with flying colours on Friday, May 15.

The project was designed by the Ministry of Education in co-operation with the Ministry of the Solicitor General.

The program received positive feedback and assistance from parents, students, educators (Miss Bourgeois) and police personnel (Constable Gary Callaghan).

Such topics covered during the course of the program were Creating Impressions, Belittling Others, Peer Pressure and Decision-making, Authority and

Authority Figures, Being Truthful, The Danger of Drugs, Vandalism and Destructive Behaviour, Shoplifting is Stealing, Youth and the Law, Friends and Friendships,

Other topics

Other exercises the students participated in included the mall visit last week. Owners and businesspeople invited the students directly into their place of business to talk to them about the wrongs of stealing and shoplifting.

There were also many in-class discussions on the previous topics. The students also performed skits revolving around the topics covered in the program. Parents had the opportunity to see these skits performed at the graduation

ceremony at St. Martin last Friday.

The students were responsible entirely for writing the skits said Gr. 5/6 Teacher, Miss Bourgeois.

At the graduation ceremony on Friday, each student received awards of a type which included a hat, a T-shirt and a VIP pin.

Main objective

The main objective of the program was to help young people cope with negative peer pressure, and to give them the opportunity to understand the value of being a good citizen.

It was also intended to encourage student development of a sense of self-worth and the development of a personal values system.

The VIP program encourages

pro-social rather than anti-social behaviour and the development of good citizenship.

It will help students to develop an awareness of the influence of peer pressure and behaviour and the ability to recognize and learn to cope with negative peer in-

fluences. It will help students to develop their reasoning skills and personal decision-making skills related to anti-social behaviours.

It also focussed attention on the harmful effects resulting from the use of drugs, alcohol and smoking.

Women's Drop-in Centre News

Schreiber Women's Drop In News

The Schreiber women's Drop In Centre held a very festive Hawaiian Luau for their closing party on May 11.

About 20 women participated in an afternoon of "thinking Hawaiian". There was a film on Hawaii and many different and delicious treats to be enjoyed at the luncheon table.

Some of the ladies wore the traditional Hawaiian costumes which were very colourful.

Many thanks to those who donated the lovely lunch.

Everybody agreed that it was a perfect way to end a very active and enjoyable season at the Drop In Centre.

During the past few weeks, many interesting afternoons were spent at the Drop In doing such things as crochet lessons, Spring Gardening Tips, Ukrainian

Easter Eggs Demonstration, Corn Husk lessons and a couple of Open Crafts afternoons.

Participation dropped off a little during the past few weeks because of the early spring weather but it was still considered a worthwhile effort and everyone is looking forward to an

even better season beginning this fall.

If anyone has any questions or any ideas for the fall season please feel free to call one of the following people:

- Jeannette Howard, 824-2948
- Georgette Cebrario, 824-2623
- Donna Mikeluk, 824-3050.

(Missing: Lisette McGee, Joyce Pollard and Margie Nickleson). Some plans of the newly-formed community services group include adopting a nursing home, having a car wash and donating money to the hospital.

Correction

Mayor of Longlac, Renald Beaulieu, contacted the News regarding the May 13 story in the News about the closing of the Longlac sawmill.

The story said that 80 per cent of the Longlac workforce will be unemployed when the sawmill closes.

It should have stated that 80 per cent of those being laid off (101 workers) live in Longlac.
