## Auxiliary Events

The Auxiliary to the McCausland Hospital held their Annual Meeting on April 21.

- President- Elaine Mannisto
- 1st Vice-president- Sheila Cassie
- 2nd Vice-president- Monica Baldwin
- Treasurer- Irene St. Rose

The Reverend Keith Milne was the guest speaker and explained to the auxiliary his role as chaplain to the hospital.

She has convened numerous fund-raising activities including Spring Balls, Membership drives, and countless raffles as well as acting as convener of patient services.

Her organizing abilities and faithful service will be missed by the members of the auxiliary and we wish her well as she and her husband will retire to the Bancroft area.

Anyone interested is welcome to attend or may contact any member of the auxiliary.

## This Week in Fire

The Ministry of Natural Resources reports a total of 75 forest fires burning in the province.

There were 46 new fires reported yesterday, May 13, with 18 of these caused by lightning.

A fire in near Kapuskasing comprising of 200 hectares caused the evacuation of 800 people in the town of Balrita.

This was enacted as a safety measure and people returned home in the evening.

Another fire in Upsala caused the near evacuation of that town also.

It should be noted at this time that as members of Northern Ontario communities, we must be prepared to accept evacuation as a fact.

The procedures are outlined in your municipal evacuation plan.

MNR crews are being utilized to the limit and woods industry personnel and civilians are augmenting their forces.

The Victoria Day weekend caused the ministry to set up stations at strategic locations to notify forest users of the hazardous conditions and the requirements of a restricted fire zone.

Restricted hours, full closure of bush operations and fuel wood-cutting restrictions are still in effect.

If you have any questions on these subjects, contact your local MNR office.
