**Normar started by  
two local residents**

continued from page 1

**More staff needed**

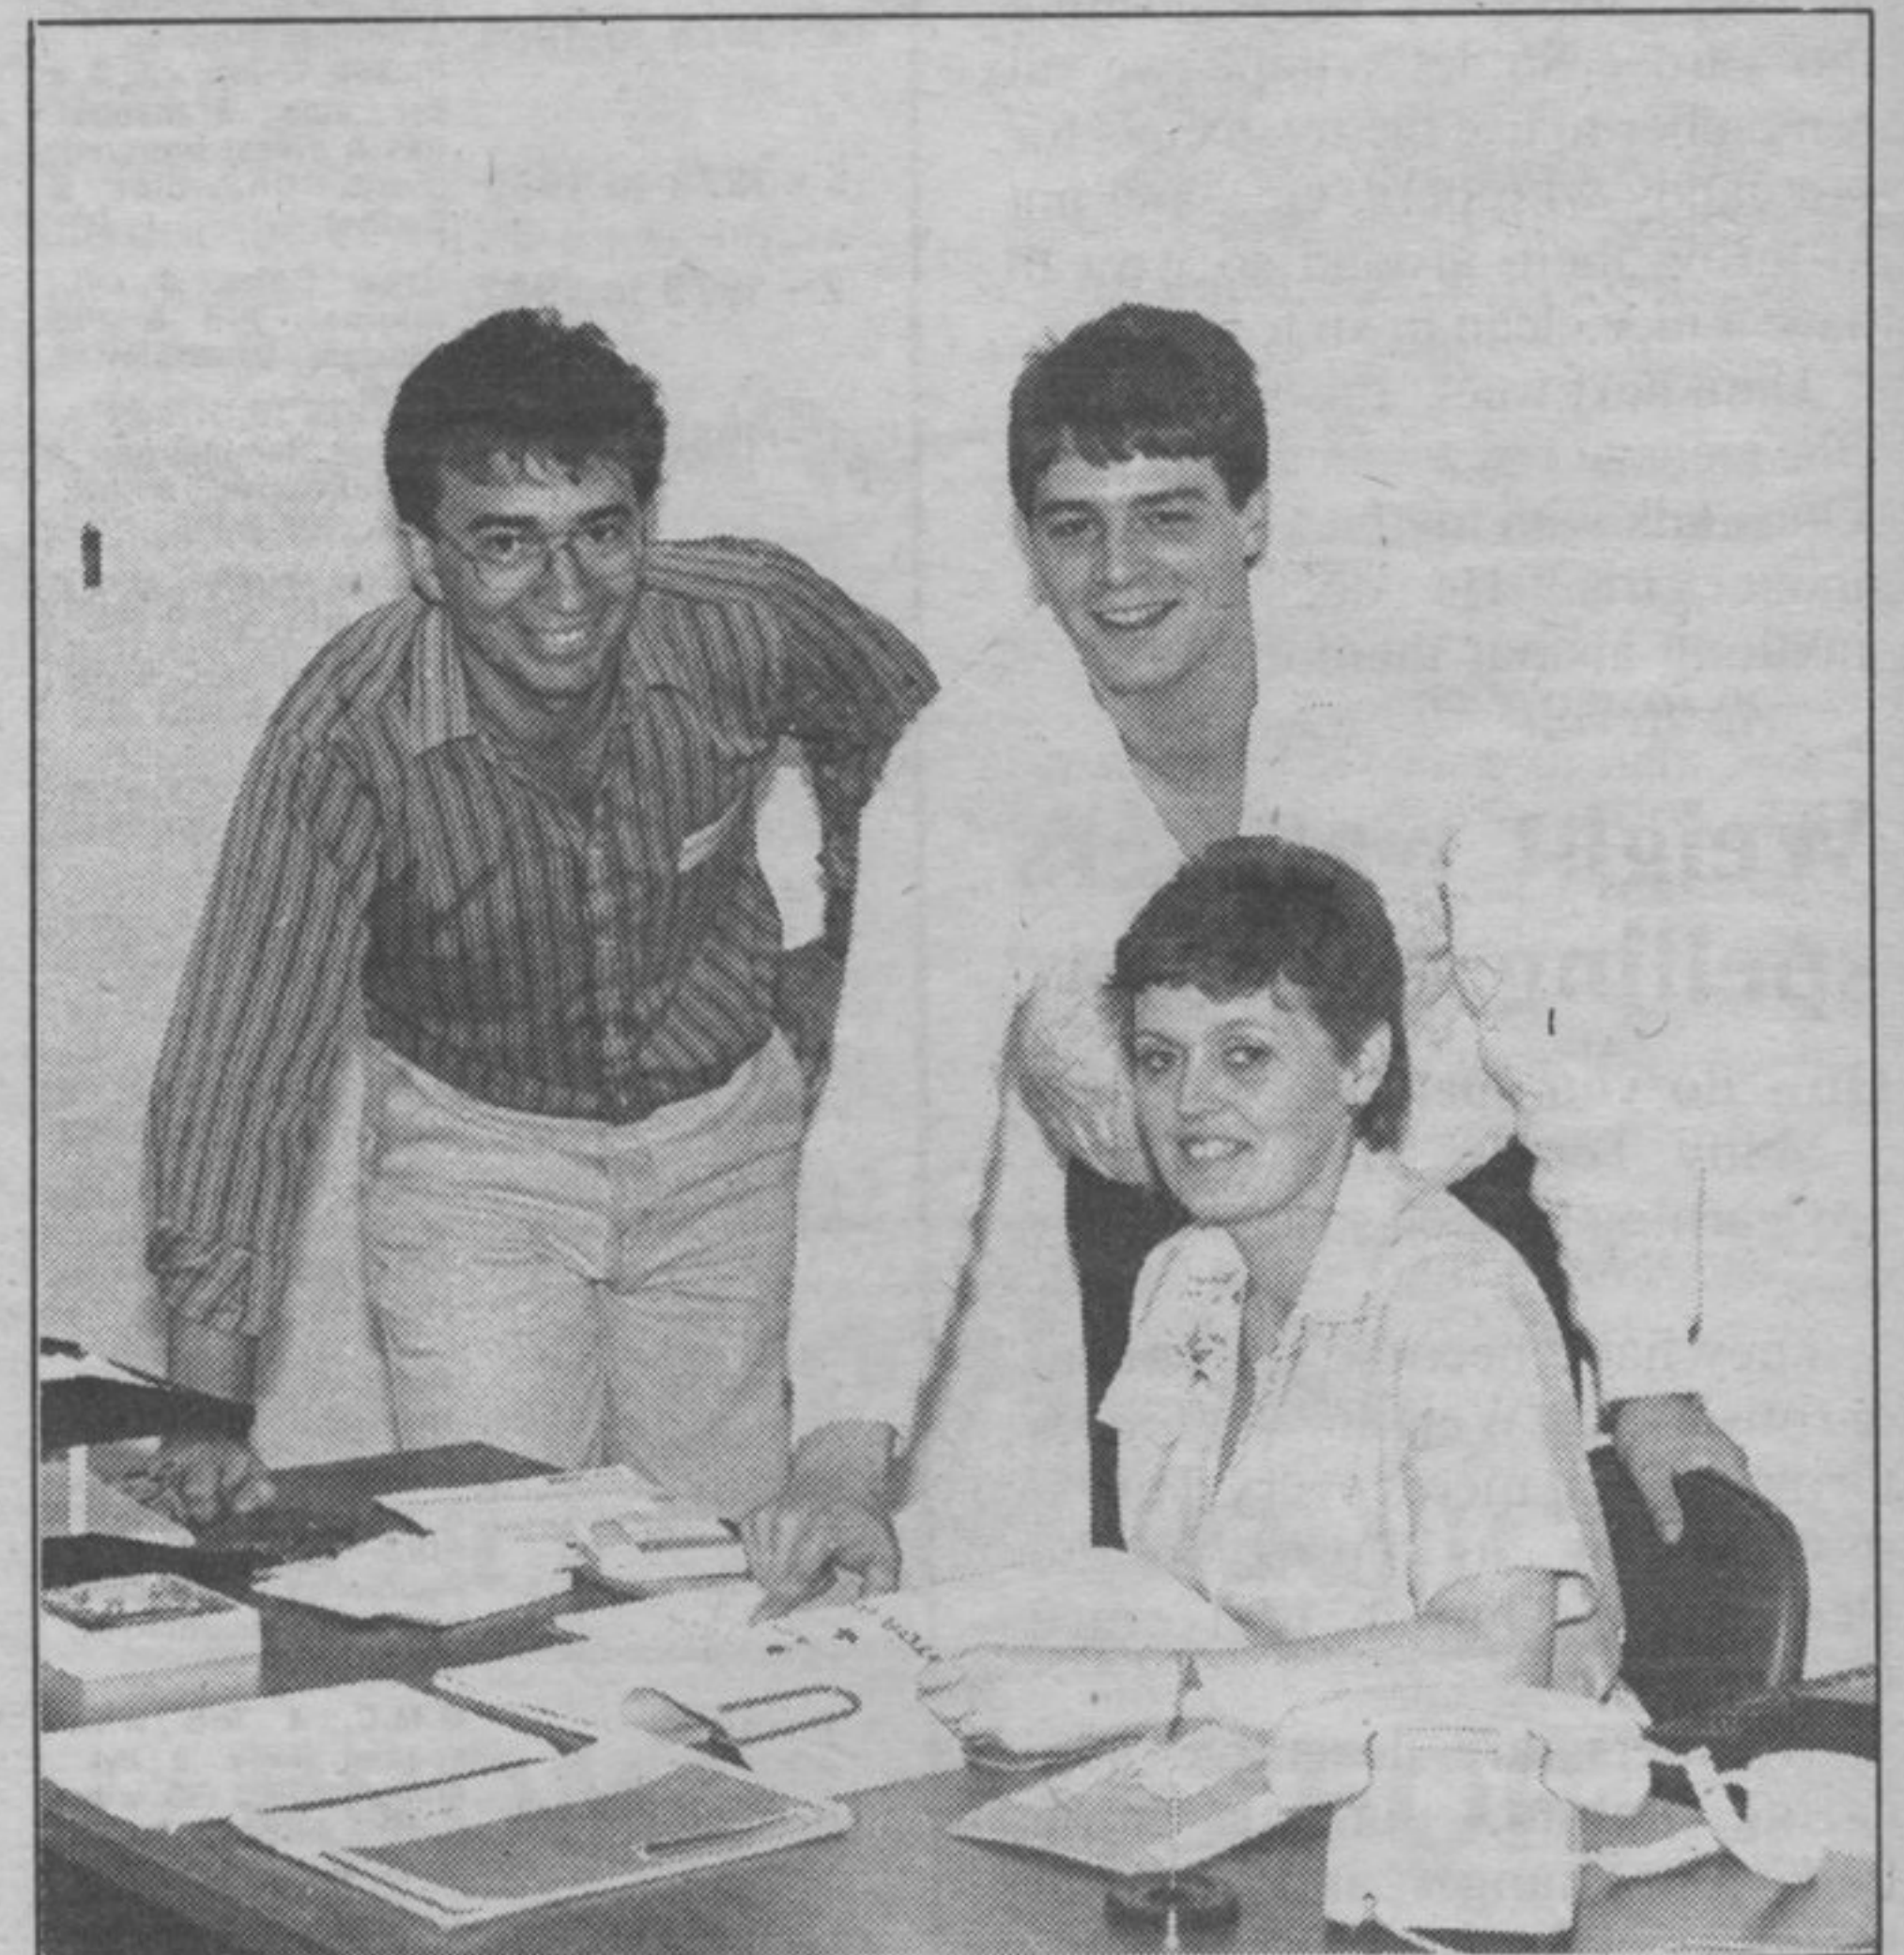

Leroux said that one more salesman and one warehouseperson are still needed to round out the staff.

Normar Industrial Supply Ltd. is open during the week from 8 a.m. to 5:30 p.m. and on Saturdays from 8 a.m. to noon.

**NORMAR**

Dan Leroux, left, and Andy Dequanne, right, started their business, NORMAR, back in September but recently moved into their new warehouse on the Mill Road. The industrial supply company is geared mainly to the mining sector but also supplies other types of operations. NORMAR has mining supplies, pulp and paper supplies, heating and ventilation supplies, motel/hotel and restaurant equipment as well as a pharmaceutical line.

**More staff**

Shown above on the far right is Mary Cashmore shown with Leroux and Dequanne. Cashmore is the secretary/desk person for NORMAR, the industrial supply company started by Leroux and Dequanne back in September. Leroux told the News that the company still needs more staff to round out the operation. (Photos by Ken Lusk).
