

Bits and Bites

By Helene Ballard

Well, we sure can't complain about the weather these days, it sure has been nice.

We have had one of our events for Senior Citizens' Month.

On Tuesday, June 16, we had a wine and cheese party hosted by the staff here at Birchwood. We were happy to see some of the seniors from town- it was very enjoyable, and on behalf of the residents, I would like to thank everyone on the staff for giving us this party. We are looking forward to other events here at the home.

Our Activities' Director, with the help of staff members, are busy getting the float ready for the Canada Day Parade. We are all hoping we get a prize for it- a lot of time and work went into this project and we are anxious for the big day.

FOR THOSE WHO CARE TO REMEMBER.

Softly the leaves of memory fall,
Gently we gather and treasure them all,
Unseen, Unheard he is very near
Still loved, still missed and very dear.

Another of our events which should be fun is the Baby Pageant on the 29th. It's always nice to see the "wee folk". Many of us have grandchildren which we do not see very often so we will enjoy seeing the babies.

I was out riding around town yesterday and I noticed how nice and clean the yards are- everyone seems to take such an interest in keeping their yards looking so nice. Now if we can get everyone

In Memory of the late VINCENZO DELEO

A Loving Husband and Father

Time has gone by
We know this is true,
Since fate that day
Called forth for you.

You went with such joy,
Oh, so happy were you,
But now it is we
Who are left to mourn you.

We honour your memory,
Only asking of this--
May the Lord grant you
Serenity, Peace and
Happiness.

So in tears of silence,
We all stand still
Having to accept
Thy Lord God's Will.

Sadly missed by the family.

to remember to put the trash where it belongs, in the trash cans, I'll bet we will have the cleanest town on the North Shore.

I'll have more news next week on our special events. Until next week, this wee joke:

One man to another at a cock-

tail party: "I'm bushed. I think I'll flirt with some good-looking dame so my wife will take me home."
