Don't miss the Rosspport Fish Derby

The community of Rosspport, as a whole, owes a great deal to the Ministry of Natural Resources for their fish management policy.

This policy, over recent times, has very successfully brought Lake Superior Lake Trout fishing back in our local area.

Due to these fine efforts we have been able to at least maintain the tradition of a *Rosspport Fish Derby*.

I should also like to mention the impressive support the derby

receives each year from various individuals, organizations and the business communities of Schreiber and Terrace Bay.

In 1984, the Rosspport Local Services Board acquired some leased property from the Ministry of Transportation and Communications which enabled the development of a sort of permanent derby grounds.

Considering all the other necessary preparations for the derby, having these ready-made facilities

makes the job a lot easier.

Proceeds from recent derbys have been instrumental in the construction of our Fire Hall as well as assisting with the operational and maintenance expenses of our water system and community hall.

Being 50 years since the very first *Rosspport Fish Derby*, we've done a little extra promotion for the event this year.

Cy Brassard, this year's chairman, arranged for a special news

If the shoe fits...

Part of the Canada Day celebrations included a Horseshoe tournament at the Moose Lodge last Saturday. Here in the photo above Mrs. Joubert gives it a shot to see if the shoe fits. (Next week: the results).

Spotter training

This Armed Forces Labrador 424 Search and Rescue Helicopter from Trenton Forces Base and its crew were in Terrace Bay last week to train residents of the local search and rescue unit. On Wednesday, June 24, Dave Kaizer, Mike

Stortini, Mike McLeod and Rick Sitko were given training as spotters as part of CASARA (Civil Air Search And Rescue Association). For more information contact Ray McLeod or the News.

French to have own language services

L'Accueil Francophone de Thunder Bay

The following article will be of particular interest to the French-speaking population of the North Shore area who prefer certain community services in the French language.

L'Accueil Francophone de Thunder Bay was founded in September, 1986, by A.F.N.O.O. (Association des Francophones du nord-ouest de l'Ontario). Assistance is provided to French-speaking people going to Thunder Bay for medical, social and legal assistance.

Translation and Interpretation services are provided to Francophones and to Anglophone professionals and agencies working with the Francophone population.
