Viceroy The Finest Homes
Of Them All...

Bits and Bites

By Helene Ballard

Our weather has not been very good this past week so we have been unable to have any outdoor activities. We did have a few ladies to play cards which helped pass an afternoon for our residents and we thank them for their kindness.

Our garden in back of the home is looking pretty good thanks to Cliff and Wallis Barker. They seem to have a green thumb. We have had radishes from the garden and they tasted good.

I suppose some of you folks are already busy with projects for the fall fair. I know we are busy in the craft room- we hope to have a nice display for the fair.

I guess these nasty days are here to help us do this kind of work, so you see there is some good in everything.

We had a nice surprise this past week when our former cooks here came to see us- Gertie Pinot and her husband Len. It was nice

to see them. They both look well, and they like it in their new home.

We had our monthly birthday party on the 16th hosted by the home. As usual we had a good time. After cake and ice cream we all played Bingo. Our residents always enjoy themselves playing Bingo.

Our thanks to the staff and to

Leon our very-able cook for the Birthday cake.

Our "Birthday kids" were Wallis Barker, Anne Rybak, Erik Kari, George Culverhouse and Michael Geavota.

Until next time this wee "joke"- "In the old days, the man who saved money was a miser; nowadays he's a wonder."

Au revoir.

Schreiber Library News

Things are warming up for an interesting summer at the Schreiber Public Library.

We are pleased to announce the hiring of summer staff, Jodie Saarinen! On staff for the summer, Jodie will be running a summer fun program for 5-10 year-olds... hope young readers (and listeners) will join her on WEDNESDAY AFTERNOON from 2-3 p.m.

The summer GOBBLE IT UP! theme is to enjoy games, films

and stories. Phone the library at 824-2477 for more information.

Available for public use now, our newly-donated Commodore PET Computer, at the library.

Through the kind assistance of Dale Cooper we have several games in both English and French. There's a nice way to spend a rainy day!

The recent Yard Sale held at the library helped make space for New Books and allowed folks to
