

# Winnie Campbell is keeping us informed

By Winnie Campbell

The United Church Women of St. Andrew United Church held a special service on Sunday commemorating the 25th Anniversary of the organization.

The theme of the service "Called to Respond", and those

taking part in the service were Mrs. Margaret Smith, president of the U.C.W., Ruth Hiller, Marlene Doig, Eva Gordon, Gwen Hadley, Margaret Nesbitt, Earline Johnson and Nean McKenna.

Beth Macadam, past president, gave the message.

Lighting the candles were Bern Jacomb for the past, Marlene Doig for the present, and Margaret Smith for the future.

The first candles were for remembering those pioneers in the church who paved the way for the present day- for remembering to the first Missionary Society in Malpeque, P.E.I., in 1925.

The second candle was lit for the present.

The fellowship of gathering with others and the support offered to the grieving, the shut-in, the ill or the lonely- be it given

through a visit, a cup of tea or some other way.

The third candle was lit for the future. We cannot see the changes which will take place in society which will affect the concerns of the church and the people taking part in the church.

With lighting the candle we acknowledge our need for God's guidance in the future.

Following the service a social time was enjoyed in the church hall over lunch and coffee, prepared by the lunch committee of the U.C.W.

A special cake was made for the occasion by Susan Fairservice.

Good-bye to Neldine at the Hairdressers- we shall miss you- Lynn will take over.

The winners of the Chimo Home Bingo were Mrs. Etta Grey and Mrs. Bottomly (Jr.). Another one will start in August.

Mr. and Mrs. Carl Pearson and family from St. Thomas are visiting the Pearsons.

## Local businessman is concerned about downtown cyclists

Dear Sir,

I read with interest your editorial on safe cycling. Of particular interest was the paragraph "Cyclists are considered drivers under the law and traffic rules, signs, and signals apply to them just as they do to the motorist".

As you are aware, we have a serious problem with cyclists riding on the sidewalks, particularly the Simcoe Plaza sidewalk.

The local police and businesses (and some councillors) have cautioned offenders to this practice.

Perhaps if parents were aware of their legal responsibilities in the event of an accident, this problem might be resolved.

yours truly,

Michael Moore,

president,

## Confederation programs

this paper!

In late July and early August, advertisements will appear in this newspaper which will list courses which have been requested for your community.

If all of the above criteria can be met, then the college and you can work together to offer relevant courses in your community.

If you have been thinking about taking part-time courses, and would like to discuss setting up college programs in your community, contact David Zub at 229-2464, or call toll-free 1-800-465-3364.

French reception services are also available during most mornings.

Confederation College- Continuing Education for you!

saxophone player; never less than three musicians; other times a violinist would join the group of players.

There was always a lunch of coffee and cakes, or sandwiches or a serving of pie at midnight.

All the workers were volunteers. Often when the prize money was a few dollars short, some of the men would kick in a few more dollars to fill the quota mark.
