

Bits and Bites

By Helene Ballard

I hope you have all been enjoying our "warm" weather- for myself I like it a bit cooler but just the same this is very nice.

Our garden is really growing, this hot weather and the sun is great for that- we will soon be eating beans, and the potatoes and

cabbages are almost ready to pick.

Our residents have been going on outings these lovely days, so our bus has been put to good use and every time the bus goes out I remember how much we have to thank the Canadian Legion in Terrace Bay- it means so much

for our residents to go out and enjoy an afternoon.

Speaking of "Thanks", at this time I would like to thank our reeve and councillors for the two new benches they put on Simcoe Plaza- it means a lot to the people of Terrace Bay to be able to sit and rest a while.

For the residents here at Birchwood it's so nice to be able

to go shopping and to know that those of us who walk can sit down and rest our poor old feet.

Also a special thanks to Chris Joubert for bringing our request to the council meeting and I do not want to forget to thank the merchants for letting these benches be installed in front of their place of business.

This leads me to again ask

folks, young and maybe not so young, to please put your trash in the proper place, use the trash cans- you can sit on the benches and enjoy your snacks and drinks then be sure you pick up before you leave. Thank-you.

Our Activities Director has been busy getting things ready for the Fall Fair and we are looking forward to this event.

I think this is all for this week, so until next time, this bit of 'fluff'- "Did you hear about the panhandler who wanted \$200 for a cup of coffee, because he couldn't go into a restaurant dressed as he was?"

'Keep cool'
Au revoir.

Library

Come to the Terrace Bay Arena at 2:30 p.m. on Friday, August 7, and follow the adventures of Joey, his Grandmother and their canine wonder Patch as, tired of being taken for granted by their family, they go on strike.

Follow the adventures of these three brave souls as they embark on a magical, fun-filled adventure and re-discover the laughter and important family moments that they all unwittingly let slip through their fingers.

The Toy Town Troupers, who bring this story to life, are a group of three young actors who have toured extensively and performed their plays in field, halls, very opulent theatres and once even a bank vault.

They bring to the play a delightful sense of humour and a very real delight in being able to perform before a live audience.

Admission is free, everyone is welcome!

"Joey and his Grandmother go on Strike" is funded by the Outreach Ontario Program of the Ministry of Citizenship and Culture.
