

Winnie Campbell reports from Schreiber

By Winnie Campbell
St. Andrew United Church held its 17th Annual Fall Fair on Friday and Saturday, September 11 and 12, in the Legion Hall. As in past years, the congregation rallied to the cause

and many hands, including helpers from other congregations, made it a successful event. They are grateful to everyone who assisted and who donated to the various booths. The Smorgasbord supper, con-

vened by Ruth Hiller and her committee, was well-attended. Winners of the draw which were donated were won by:
Fabric Clock, made by Alice Fairservice, was won by Cindy Tremblay Sr; *The Crib Cover*, donated by Florence Whent, was

won by Jack Stokes; the *Figurine*, donated by Helen D'Arcy, was won by Doreen Stephenson;
Lawn Chair, made and donated by Gary Gusul, was won by Elma Haapa; the *Quilt*, made by Alice Fairservice, was won by Pauline Woodruff.

The men, as usual, were there to assist in many ways, in setting up and cleaning up and running errands.

The Church Board is grateful to all.

United Church Women
The United Church Women met on Sept. 9 with Margy Smith, president, opening the meeting with the UCW Purpose and followed by the Devotional period led by Gwen Hadley.

An interesting resume of their work from the Rev. E. Prinselaar and Mrs. Prinselaar was read. They are presently on Missionary service in Belize.

A donation was given to the Canadian Bible Society. The Rev. Dale Broadworth, district secretary of the Bible Society, will be at the Community Church, Terrace Bay, on Sept. 30, 7:30 p.m.

He will speak of the work of the society and also show a film "Spirit of Advance".

Everyone is welcome to attend which includes all other churches in the area.

The UCW will hold their Annual Christmas Bazaar on Saturday, November 14, in the Legion Hall.

The usual Chicken Pattie plate will be served.

A social time followed the meeting.

Get well in hospital to Mr. Huck Gerow.

Our deepest sympathy to the Bolans on the passing of Mr. Pat Bolan.

Mr. and Mrs. Campbell are here from Washago, Ontario, to attend the funeral.

Ringette

Players and parents are reminded that the deadline to register and pay for the '87/88 season is today, **Wednesday, September 23, 1987.**

A member of last year's executive will be on hand to register players from **7-8 p.m.** this evening in the **Multi-purpose Room** of the Terrace Bay Recreation Centre.

Registration fees for this season are \$40 per single player or \$60 per family with two or more girls playing.

Any girls between the ages of five and 16 who have not played before are encouraged to consider joining up.

The emphasis in Ringette is on sportsmanship and teamwork.

Opportunities are provided for players to represent Terrace Bay in tournaments held in towns throughout the district.

On **Sunday evening, September 27**, there will be a **"season opener" meeting** for players' parents from **8-9 p.m.** in the rec centre's **Multi-purpose Room.**

The association's executive (an unelected body consisting of coaches, players and parents who guide the association's activities) will be seeking parents' support and suggestions at the meeting.

Juniors, Belles and Oldtimers who are interested in assisting in coaching a team or in helping out on the executive are invited to attend and voice their ideas as well.

At present, 45 girls have already registered and 20 more are in the process of registering.

These girls, plus however many more sign up, are counting on the support of you, their parents, to enable Terrace Bay Ringette gals to go on to even greater successes than last year. Please, let's not let them down!

A rock of ages

A new mass spectrometer purchased by the Royal Ontario Museum will make it easier to determine the age of rocks.

The spectrometer was purchased for the Jack Satterly Geochronology Laboratory with a \$175,000 grant from the Ministry of Northern Development and Mines and money from the Natural Science and Engineering Research Council.
