

Two men receive five charges each in gun incident

By Ken Lusk
The News

A theft of a hand gun and shooting equipment from a vehicle resulted in Constable Smeltzer of the Terrace Bay Police Force heading to Marathon to apprehend the culprits.

Gilles Larose, 25, and Denis Livernoche, 23, both of Quebec, have been charged with theft over \$1,000, possession of property obtained by a crime, possession of a restricted weapon knowing it to be in the vehicle, possession of a restricted weapon - no permit, and unsafe handling.

Two females with the men were investigated by police and released.

Both men are presently before the courts and in custody.

A show-cause hearing was held on Oct. 9 to set the date of the trial.

Thrown off

According to police, the two

men were passing through Terrace Bay and missed an early bus.

During the time they were waiting for a later bus, they entered a vehicle parked at the arena and stole the gun and equipment.

The two men then got onto the bus and were later thrown off approximately 40 kilometres west of Terrace Bay for fighting with each other.

Police say Constable Smeltzer had had previous dealings with these two men earlier the same day before the theft occurred.

When Smeltzer received the call of the theft, he believed the same two men were responsible.

He called ahead to Marathon and instructed the police there to hold all occupants of the bus until he arrived there to investigate.

On his way to Marathon he came across the two men and arrested them on the highway about 40 kilometres west of Marathon.

All property stolen was recov-

ered at the site.

Subsequent investigation showed that the gun had been fired numerous times.

Police report that the two men were badly bruised and scratched, most likely from their fight on the bus.

Bear sightings

A bear problem in Terrace Bay was giving the local police department some trouble several weeks ago, but it appears the furry critters have now gone back to where they belong.

The force reports it had 11 reports of bear sightings in the Terrace Bay area. The bears were active in town every night for about a week and-a-half.

Two of the beasts had to be caged and removed from the township. The force appreciates the assistance of the Ministry of Natural Resources.

The report says that it was hard work getting the bears caged. The

Hockey Logo

The Terrace Bay Minor Hockey Association is inviting everyone to participate in a logo drawing contest.

The drawing is to be on a 8" x 11" piece of paper. The logo will be red and white and will not contain a lot of detail due to the fact that it will be used, in some cases, on small pins, etc.

Send your entry to the Terrace Bay Minor Hockey Association, P.O. Box 504, Terrace Bay, POT 2WO, before **November 7, 1987.**

The chosen entry will win a dinner for two at the Red Dog Inn.

The logo will be used for pucks, pins, caps, crests, etc.

bears were on porches and at doors - a real danger.

The sightings were at the Terrace Heights and Kenogami areas.

One bear was reported to be a hefty 400 pounds.

Opposition to board's decision

By Ken Lusk
The News

The Lake Superior Board of Education has decided to move its administrative offices from Schreiber to Marathon - a move that has many people from the councils of Terrace Bay and Schreiber upset.

According to Lake Superior board Business Administrator

Bruce Rosseau, the relocation, which the board hopes to be completed by September of 1988, includes the moving of 10 job positions: director of education, superintendent of education, operations manager, business administrator and clerical staff (this includes a payroll clerk, an accounts payable clerk, and three executive secretaries).

Rosseau said persons who do

not wish to move will simply lose their jobs.

The board will give employees who do not wish to move one year to find other employment.

Lose families

Terrace Bay Clerk-Treasurer Administrator Dave Fulton told the *News* that because of the move, Terrace Bay and Schreiber will suffer from the loss of these

10 jobs.

The community will also lose the families and the contribution they make to the communities he said.

Both the Terrace Bay and

Schreiber councils believe the cost of the move outweighs the savings the board will be make.

But the Lake Superior board
