

# New director of education for Lake Superior board

## Schreiber Public School New superintendent

Late in August, Mr. Wally Golab was appointed Superintendent of Education for the Lake Superior Board of Education.

Golab's wife, Lori, is presently on a one-year leave of absence from the Lakehead Board of Education and is completing her Master of Education degree at Lakehead University.

The Golabs have a 12 year-old son who loves football. During his time off, Golab and his son enjoy spending time pickerel fishing.

Golab comes to Schreiber from the Lakehead Board of Education where he held the position of Assistant to the Superintendent of Education.

In previous years, Golab was an education officer, high school department head and teacher with the Lakehead board.

Golab is very interested in meeting parents and discussing their concerns about education.

### Director leaving

The Director of Education for the Lake Superior board, Miss Margaret Twomey, will soon be leaving. Twomey has recently accepted the position of Regional Director of Education for Northwestern Ontario.

She will be working out of the regional office in Thunder Bay.

### School renovations

During early September, the Schreiber Public School underwent repairs to replace the exterior brick.

Over the past 10 years, the frost had caused the brick to crumble. The new brick, being less porous, should last longer.

The construction company, Arctic Masonry, must be commended for the safe manner in which they performed their tasks while the children were at school.

Next year, it is anticipated that more work will be done to the grounds and fencing to provide the students with more activities and to improve the school's appearance.

### Coming events

Oct. 14- Grs. 4-8 will view the play, "This can't be happening at MacDonald Hall."

Oct. 23- Professional Development Day.

### Intramurals

To date, students have had the opportunity to take part in two intramural activities.

Soccer, supervised by Mrs. Brend, will run for approximately one month.

Cross-country running, supervised by Mr. Morrill, will culminate on Oct. 14 when approximately 12 students will go to Marathon to compete with students from the other schools in the board.

### New staff

Because of increasing enrolment, three new teachers and two teacher aides were added to the staff of Schreiber Public School this fall.

Brent Stratton comes from the WhiteDog Education Authority with eight years' experience.

Mr. Stratton will teach French as well as Grs. 6-8 afternoon subjects.

Miss Malashewski is our half-time Junior Kindergarten teacher.

She is in her second year of teaching and comes to us from Terrace Bay.

Mrs. Phytilla, the teacher librarian, also comes from Terrace

Bay and brings with her a wealth of experience.

Mrs. Lepp will be the teacher aide in the Grs. 1-2 classroom and

Mrs. Reynolds will be the aide in the Grs. 2-3 classroom.

# Bay Day
