Bobsled

For the young of heart, there is a four-man bobsleigh simulator taking visitors on a two-minute long, 134 miles per hour simulated run down the 1480 metre course at Canada Olympic Park.

Hooked up to a TV Video disc, the strapped-in riders visually experience the actual course via laser projection onto a screen in front of them.

The next meeting of the Olympic Torch Organizing Committee will be on Thursday, November 12, at 7 p.m. at the recreation centre.

James River

from page 12

"We would have no difficulty in going forward with an FMA when the time is right between the ministry and ourselves.

"I fully expect that to happen in the next three or four years, or even before that if the ministry so decides."

Wood fibre supply has posed no difficulties for James River, Byrne said.

With changes brought to its wood yard in the modernization program the company now supplies all its softwood needs through residual chips from area mills.

Byrne has an optimistic outlook for his Marathon mill.

"I see a good year ahead for us again," he said.

In addition, the Legion:

contributes to schools and homes for the handicapped; provides 1,000 student bursaries and scholarships for continued education which, led by the Legion's Ladies' Auxiliary, exceeds \$475,000 annually; hosts blood donor clinics; institutes Big Brother programs; operates drop-in centres, day care units and kindergartens; provides over 3,000 low-rental housing units for senior citizens in 60 or more communities; sponsors a National Literary Composition and Poster Contest for schools; contributes to fellowships in geriatric medicine and a Chair of Family Practice at the University of British Columbia.

Scholarships and bursaries

Dominion Command has allocated \$105,000 each year for fellowships to train doctors and nurses in geriatric medicine.

In addition to programs carried out by Provincial Commands and Ladies' Auxiliaries, Legion Branches contribute more than \$2,000,000 per year.

Medical research and services

Mount Pleasant Branch in Vancouver has contributed \$725,000 over a three-year period to establish a geriatric unit in family practice at the University of British Columbia.

Pacific Command supports a Chair for Family Practice at the University of British Columbia valued at \$40,000 per year.

Ontario Command has provided \$175,000 towards a University of Toronto investigative program into urinary incontinence.

Alberta and NWT Command is supporting a Chair in Geriatric Medicine at the University of Alberta at the cost of \$142,500 over a three-year period.

Newfoundland and Labrador Command is supporting a health

sciences project in the purchasing of a multi-diagnosis x-ray machine.

Their support to the project is

the sum of \$400,000 over five years.
