

Schreiber Recreation

Open House

The Schreiber Recreation Committee is presently planning an open house to welcome all new residents and to inform the general public of programs and our future development plans.

If any groups or organizations wish to participate in the open house they should contact the recreation office at 824-2317.

Winter Events Calendar

The 1987-88 Winter Special Events Calendar is now ready. For your copy stop by the office anytime between 9 a.m. and 5 p.m.

Community Calendar

A new weekly column is presently being planned by the recreation department and the News staff (see this issue).

It will assist in keeping the community better-informed of local happenings as well as helping our new residents in familiarizing themselves with the community.

This column will include the name of the group contact person, date, place and time of their meetings as well as any special events they are planning. Any groups wishing to have their meetings or special events published on a regular basis should contact the recreation office at 824-2317.

Teen & Children's Aerobics- Debbie Tremblay, one of our aerobic instructors, is presently explaining the possibility of organizing a teen and children's aerobics program. If you are interested, contact Debbie at 824-2026 or the recreation office at 2317.

Children's Christmas Crafts- This workshop will be held on Saturday, December 5 from 1-3 p.m. at the recreation complex.

Donna Mikeluk will teach children ages six to 12 exciting Christmas Crafts. Space is limited so register early. For more information or to register, please contact the office at 824-2317.

If you would like to offer suggestions for future programs or have a skill or hobby you would like share with others please contact the office and we will do our best to organize it.

Olympic Torch Days

Plans are well-underway for the arrival of the torch on Monday, January 11. The final schedule meeting will be held on Thursday, Nov. 19 at 7:30 p.m.

Any group or individuals wishing to plan a special event for the celebration should attend this final meeting.

Some of the events already planned are: children's play day, a contraption race; a moccasin dance, a bonfire and torch light parade, ice sculptures, an Olympic curling bonspiel, dances, suppers and much more.

This is our opportunity to get involved with the Olympics! Let's make it a really big event.

A reminder that all nominations for "Celebration '88" medals and certificates must be submitted to the office no later than Thursday, November 19 at 4:30 p.m.

Teen Drop In Centre

There is now a Teen Drop In Centre operating out of the games room and meeting room 3. If you are looking for a place to just meet your friends to sit and talk, come out to the recreation centre on Friday and Saturday nights from 7-11 p.m.

Programs

The recreation office is presently taking registrations for the following programs:

Computer Course- an introduction into the micro-computer using the Tandy machine. The course will be held on Wednesday nights at the high school with Mr. Bill Houston doing the instruction;

National Coaching Certification Program- the theory Level I and II programs will be held in late November and January respectively. These theory levels are for coaches of any sport.

Future Programs

If you have a desire to participate in a specific program or wish to conduct a craft or hobby course, please contact the recreation office at 824-2317.

November 25- Horticultural Society General Meeting- 7 p.m. -conference room

November 25- Chamber of Commerce General Meeting- 7 p.m. multi-purpose room.

Ladies' Sauna

Attention ladies. The recreation centre's ladies' sauna has just been renovated with new cedar and a new stove. The heat is on, so come down and enjoy a relaxing sauna.

The Terrace Bay Recreation Department would like to call on the community for its assistance.

If you know of a program of special interest you would like to have presented, give us a call at 825-3542.

Learn to Skate

There is at present a morning session of Learn to Skate taking place in the arena.

There are several more openings for registration available in the afternoon session. This program takes place from 2-3 p.m. on Mondays and Wednesdays.

If your child is between the ages of three and five, here is the ideal opportunity for them to learn to skate.

Give the recreation office a call at 3542.

Programs

The second session of the Fall exercise programs will be commencing in the near future. We still have openings in the following programs.

Aerobics (with Gwen)

Beginning on Nov. 16, and concluding on Dec. 17, this course will be a five-week program. Call the recreation office for reservations in this fast-paced aerobics program.

Fitness For Fun (with Lynn)

There are several more openings in this morning program. Monday, Wednesday and Friday from 10-11 a.m. is the time Lynn puts here students through their paces.

Taking charge Aerobics
(with Louise)

Are you interested in a non-impact exercise class which is held in the afternoons on Monday and Wednesday from 2-3 p.m.

Here is the class for you. We have the facilities available for your babysitter if you would like to bring the children and provide a babysitter.

Teen Aerobics (with Louise)

Calling all teens! Mixed aerobics for teens is available for those 13 years of-age and up. The program is held on Tuesdays and Thursdays from 4-5 p.m.

Don't be shy guys; this exercise class will help loosen up and

tone the muscles to assist you in your other athletic programs.

Over-40 Hoppers (With Lorraine)

We would like to inform the community that this program is open to males or females who wish to exercise at a more leisurely pace.

It is a very low-impact exercise program mainly geared to strengthen, tone and relax the body.

The program is held at the public school on Tuesdays and Thursdays from 7:30-8:30 p.m. Come one come all and join in the fun.

Labour costs

Labour costs make up an estimated 45 to 58 per cent of total direct costs of the Northern Ontario mining industry. Government-imposed or compliance costs associated with environmental controls and payroll burdens are estimated at 10 per cent of the industry's total direct costs.

Thank You

We would like to thank Kimberly-Clark for the presentation given to us upon the arrival of our twins. A special thank you goes to Daryl Payette and Barbara Hamilton
